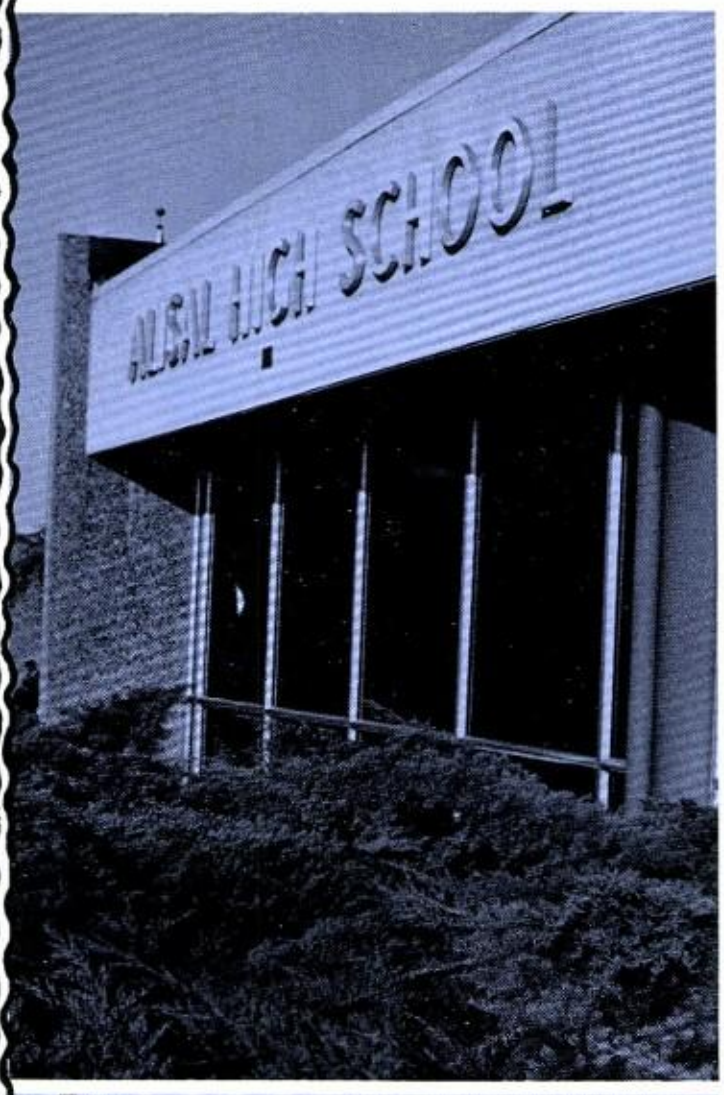
"the voyage"



published by

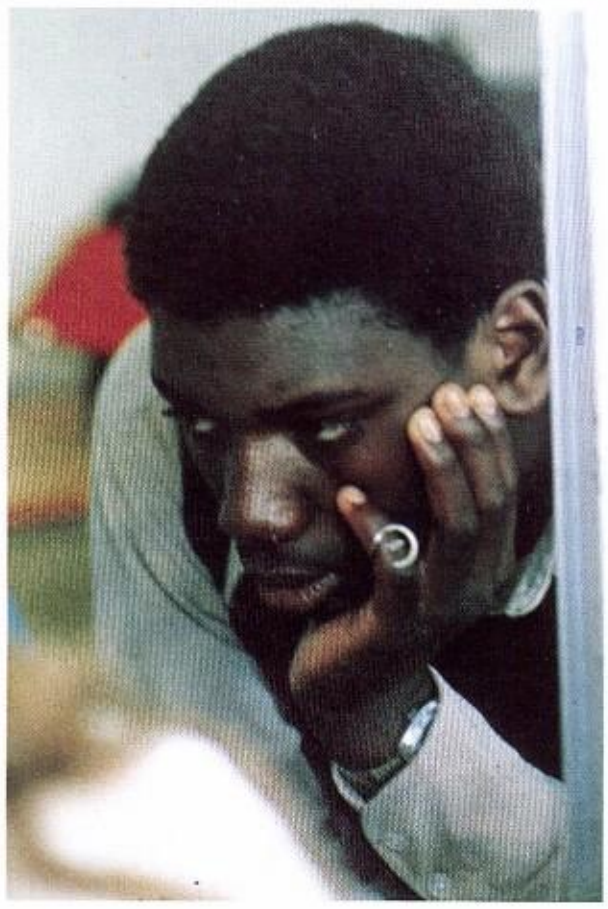
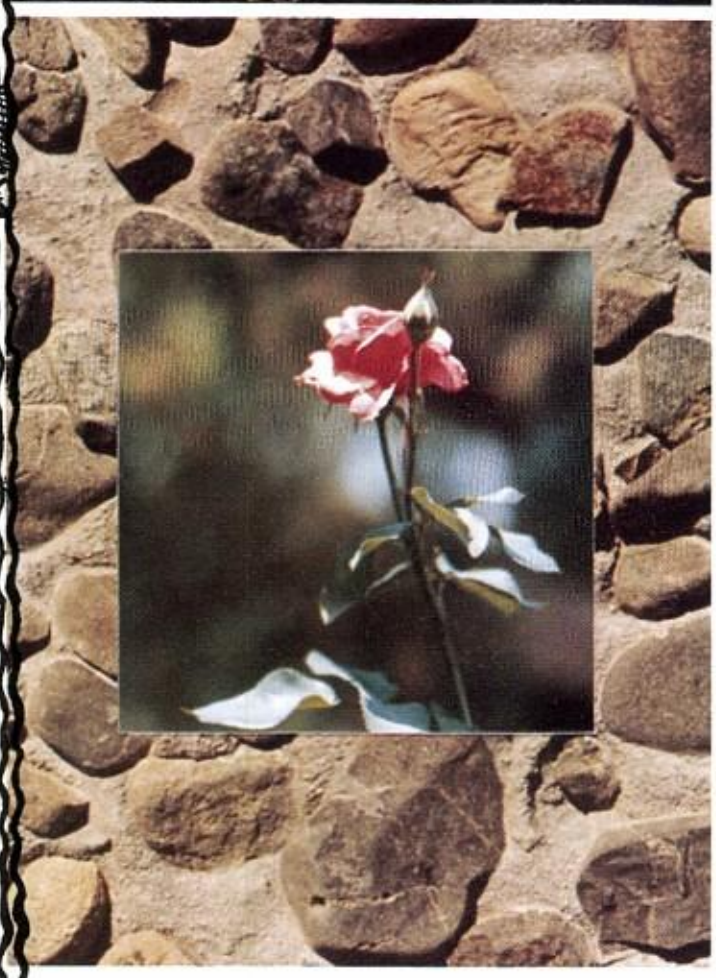
"Roads go ever ever on,
Over rock and under tree,
By caves where sun has never shone,
By streams that never find the sea..."



THEME



Afoot and light-hearted I take to the open road,
Healthy, free, the world before me,
The long brown path before me leading wherever I choose.

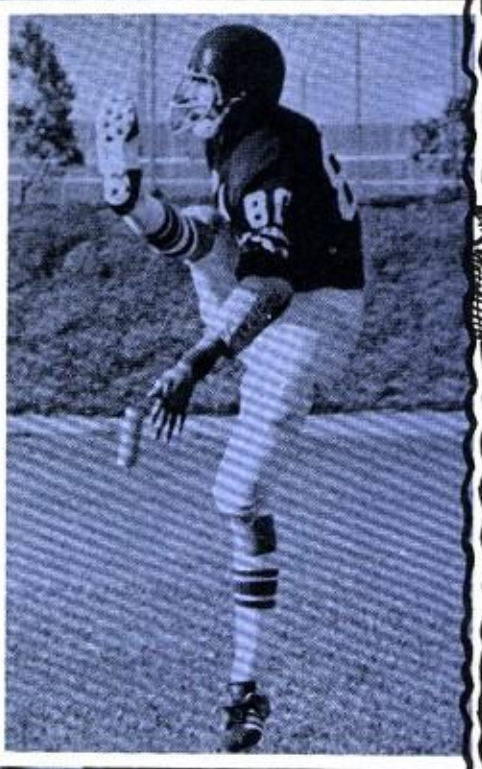
Henceforth I ask not good-fortune, I myself am good-fortune;
Henceforth I whimper no more, postpone no more, need nothing;
Done with indoor complaints, libraries, querulous criticisms,
Strong and content I travel the open road.

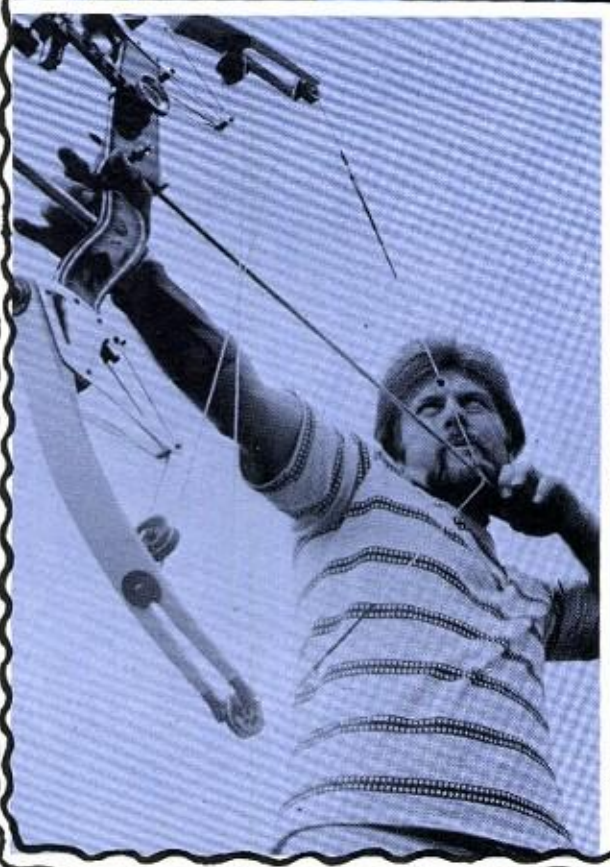
The earth, that is sufficient,
I do not want the constellations any nearer;
I know they are very well where they are;
I know they suffice for those who belong to them...

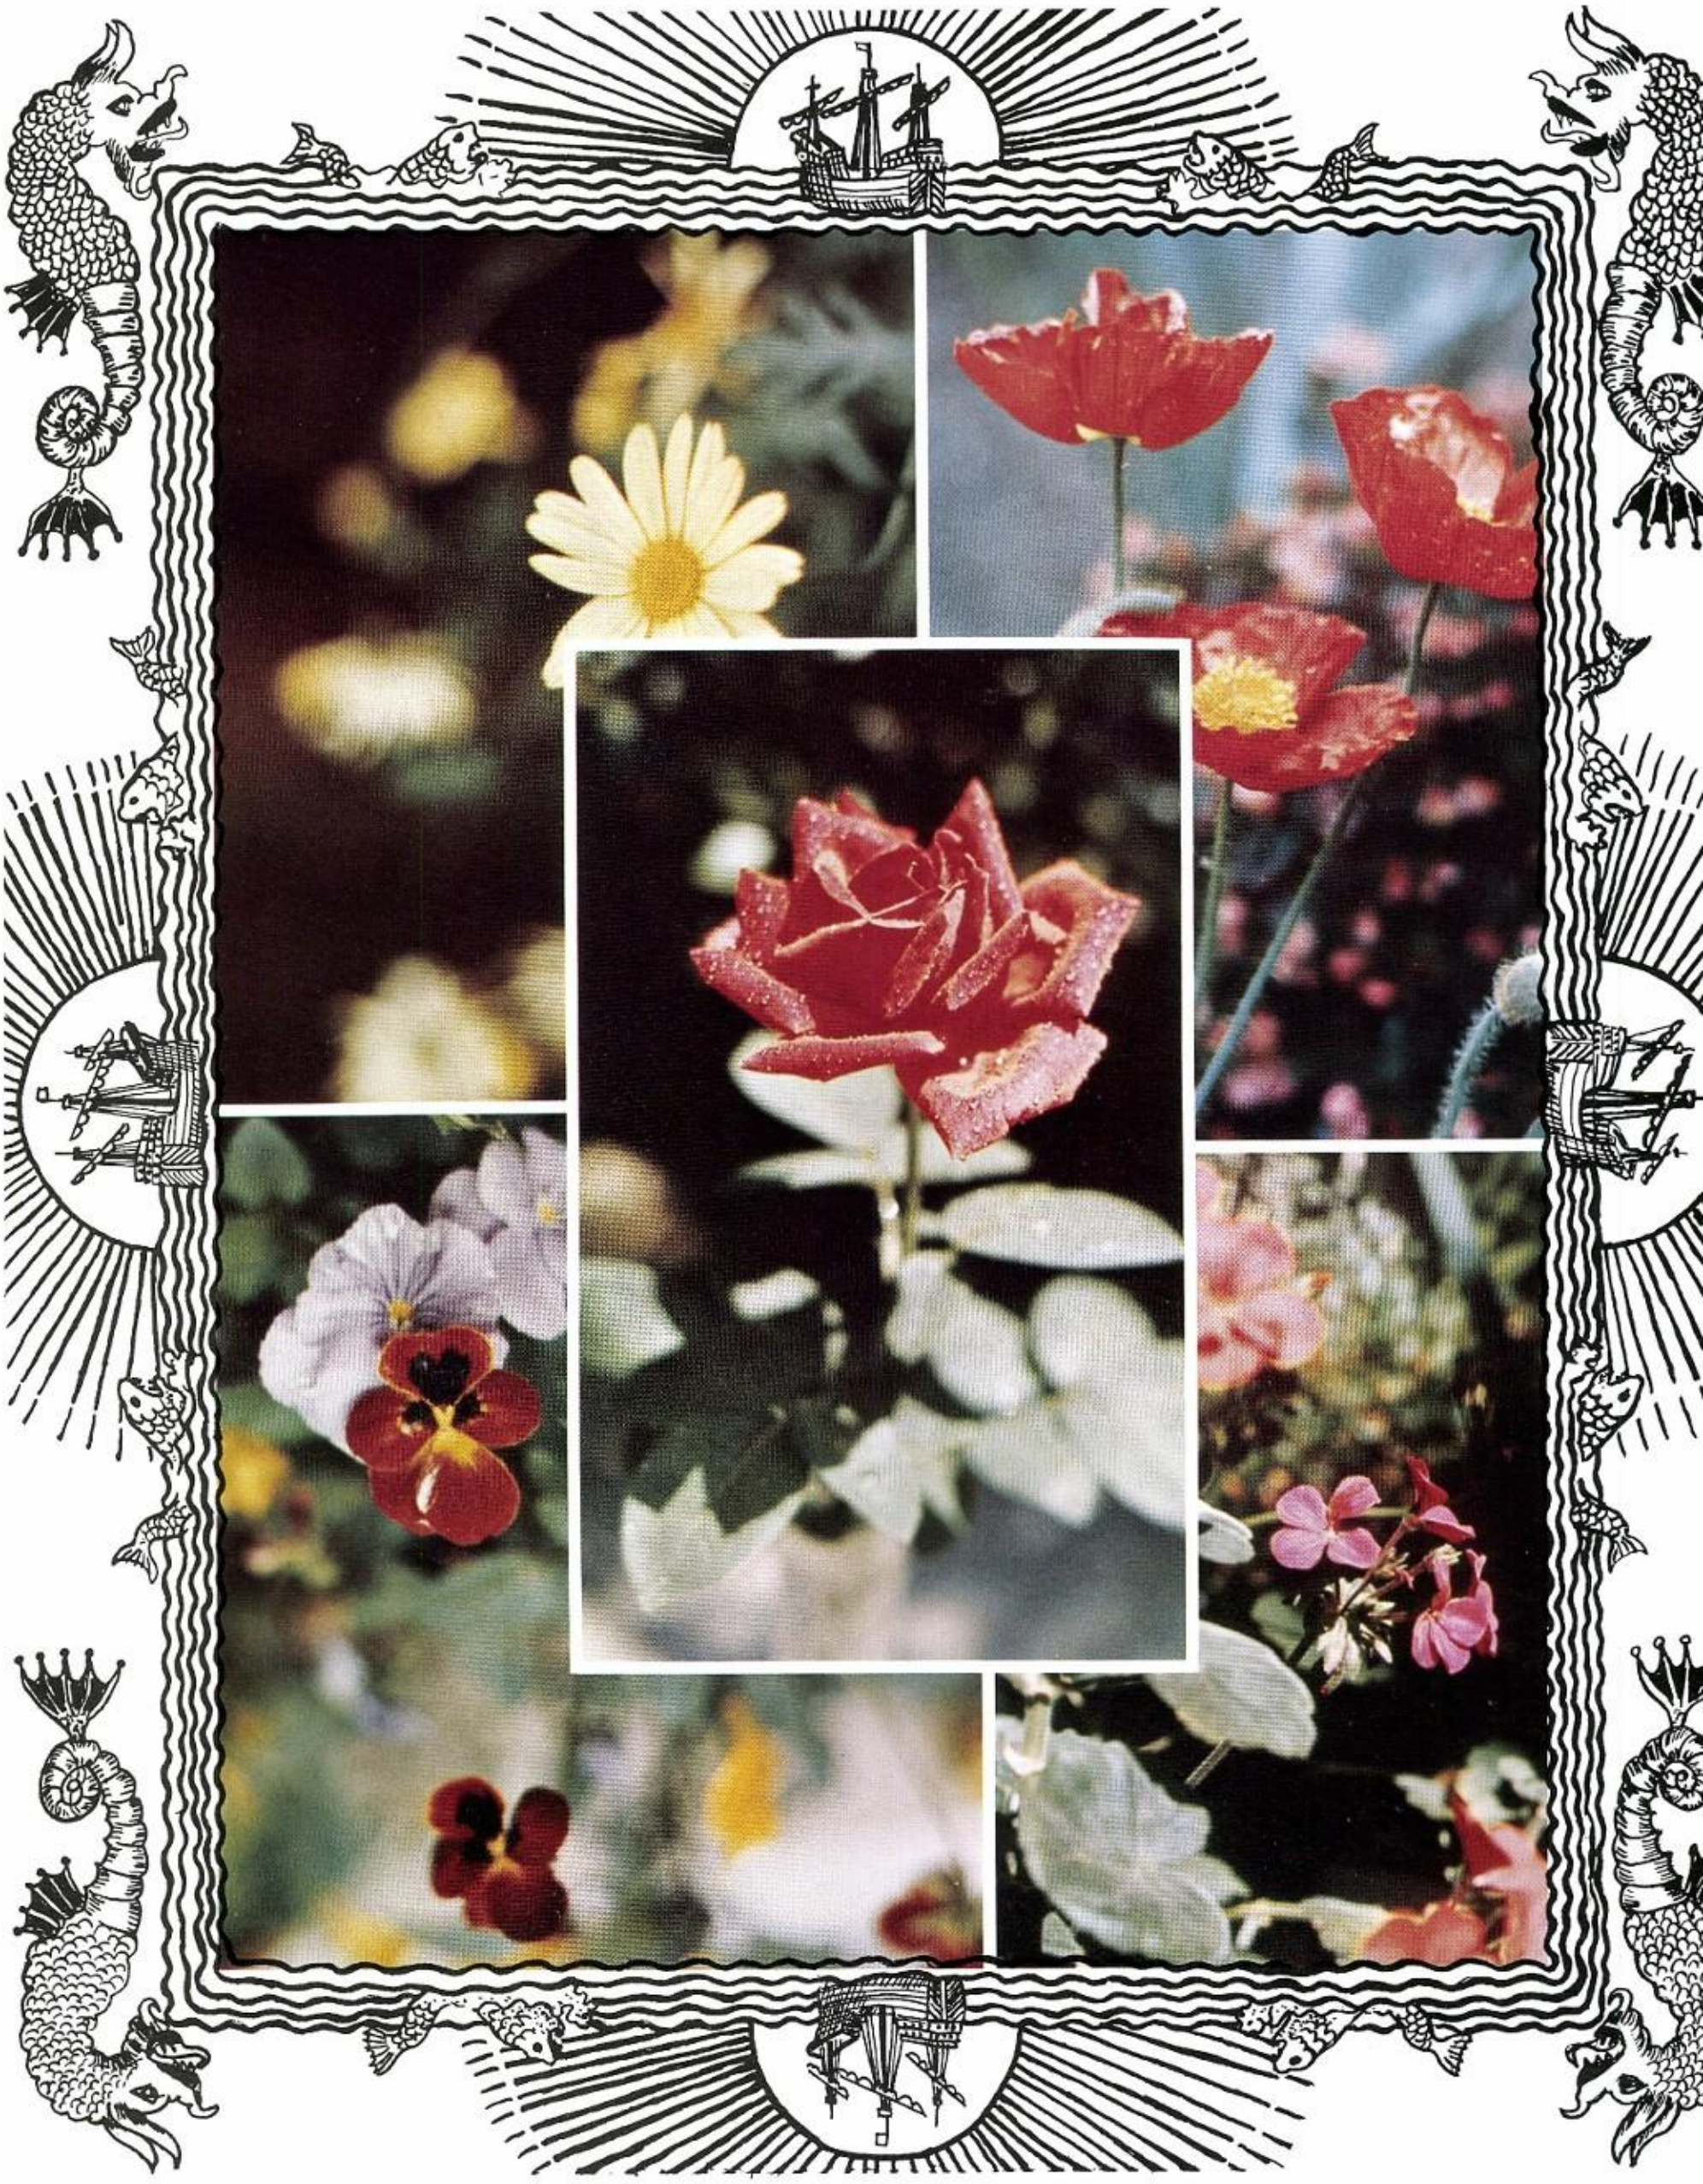
The earth never tires.
The earth is rude, silent, incomprehensible at first; Nature is
rude and incomprehensible at first.
Be not discouraged. Keep on; there are divine things well enveloped.
I swear to you there are divine things more beautiful than words can tell.

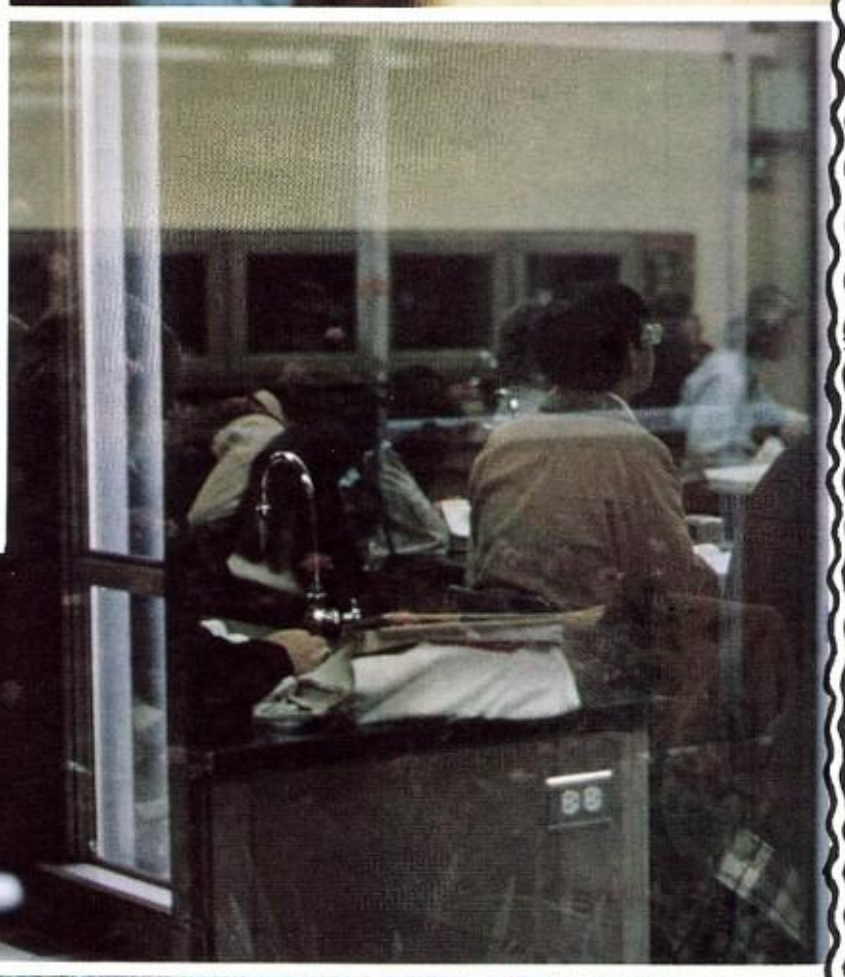
THE OPEN ROAD Walt Whitman

"Now east is east, and west is west,
But north lies in between;
And he is blest whose feet have prest
The road that's cool and green."

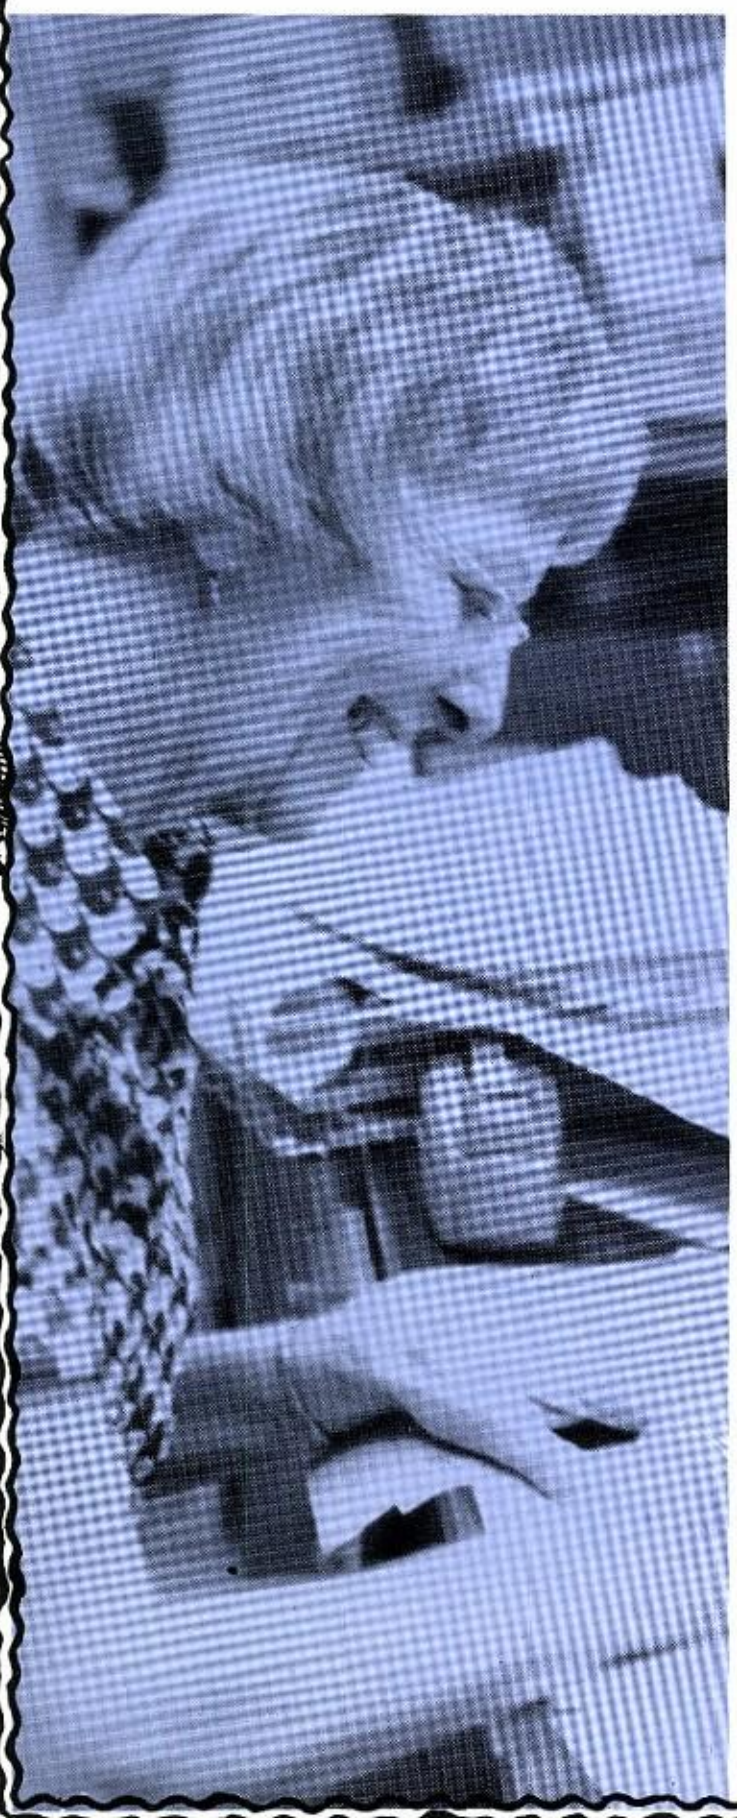




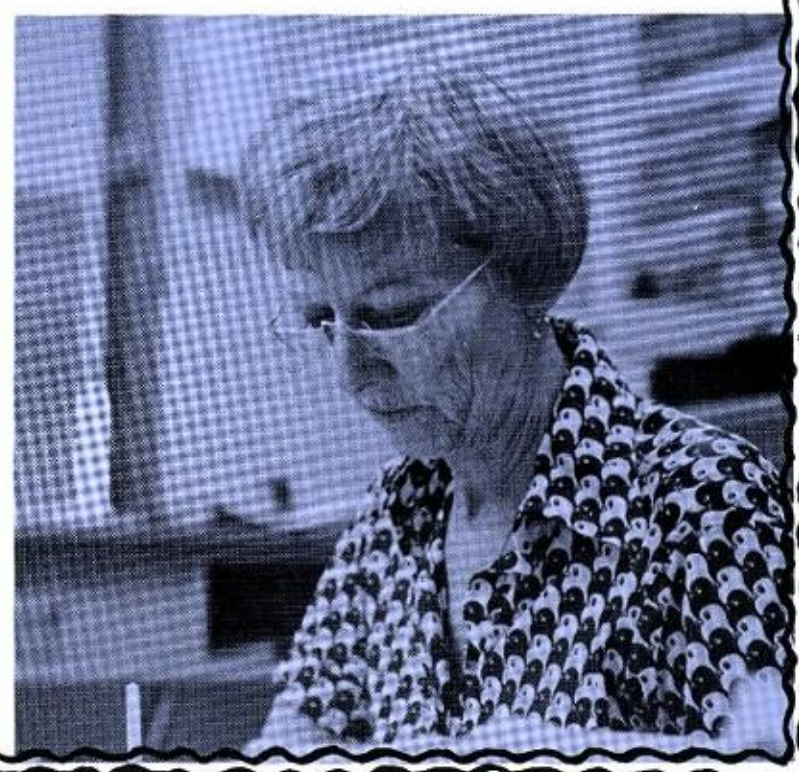


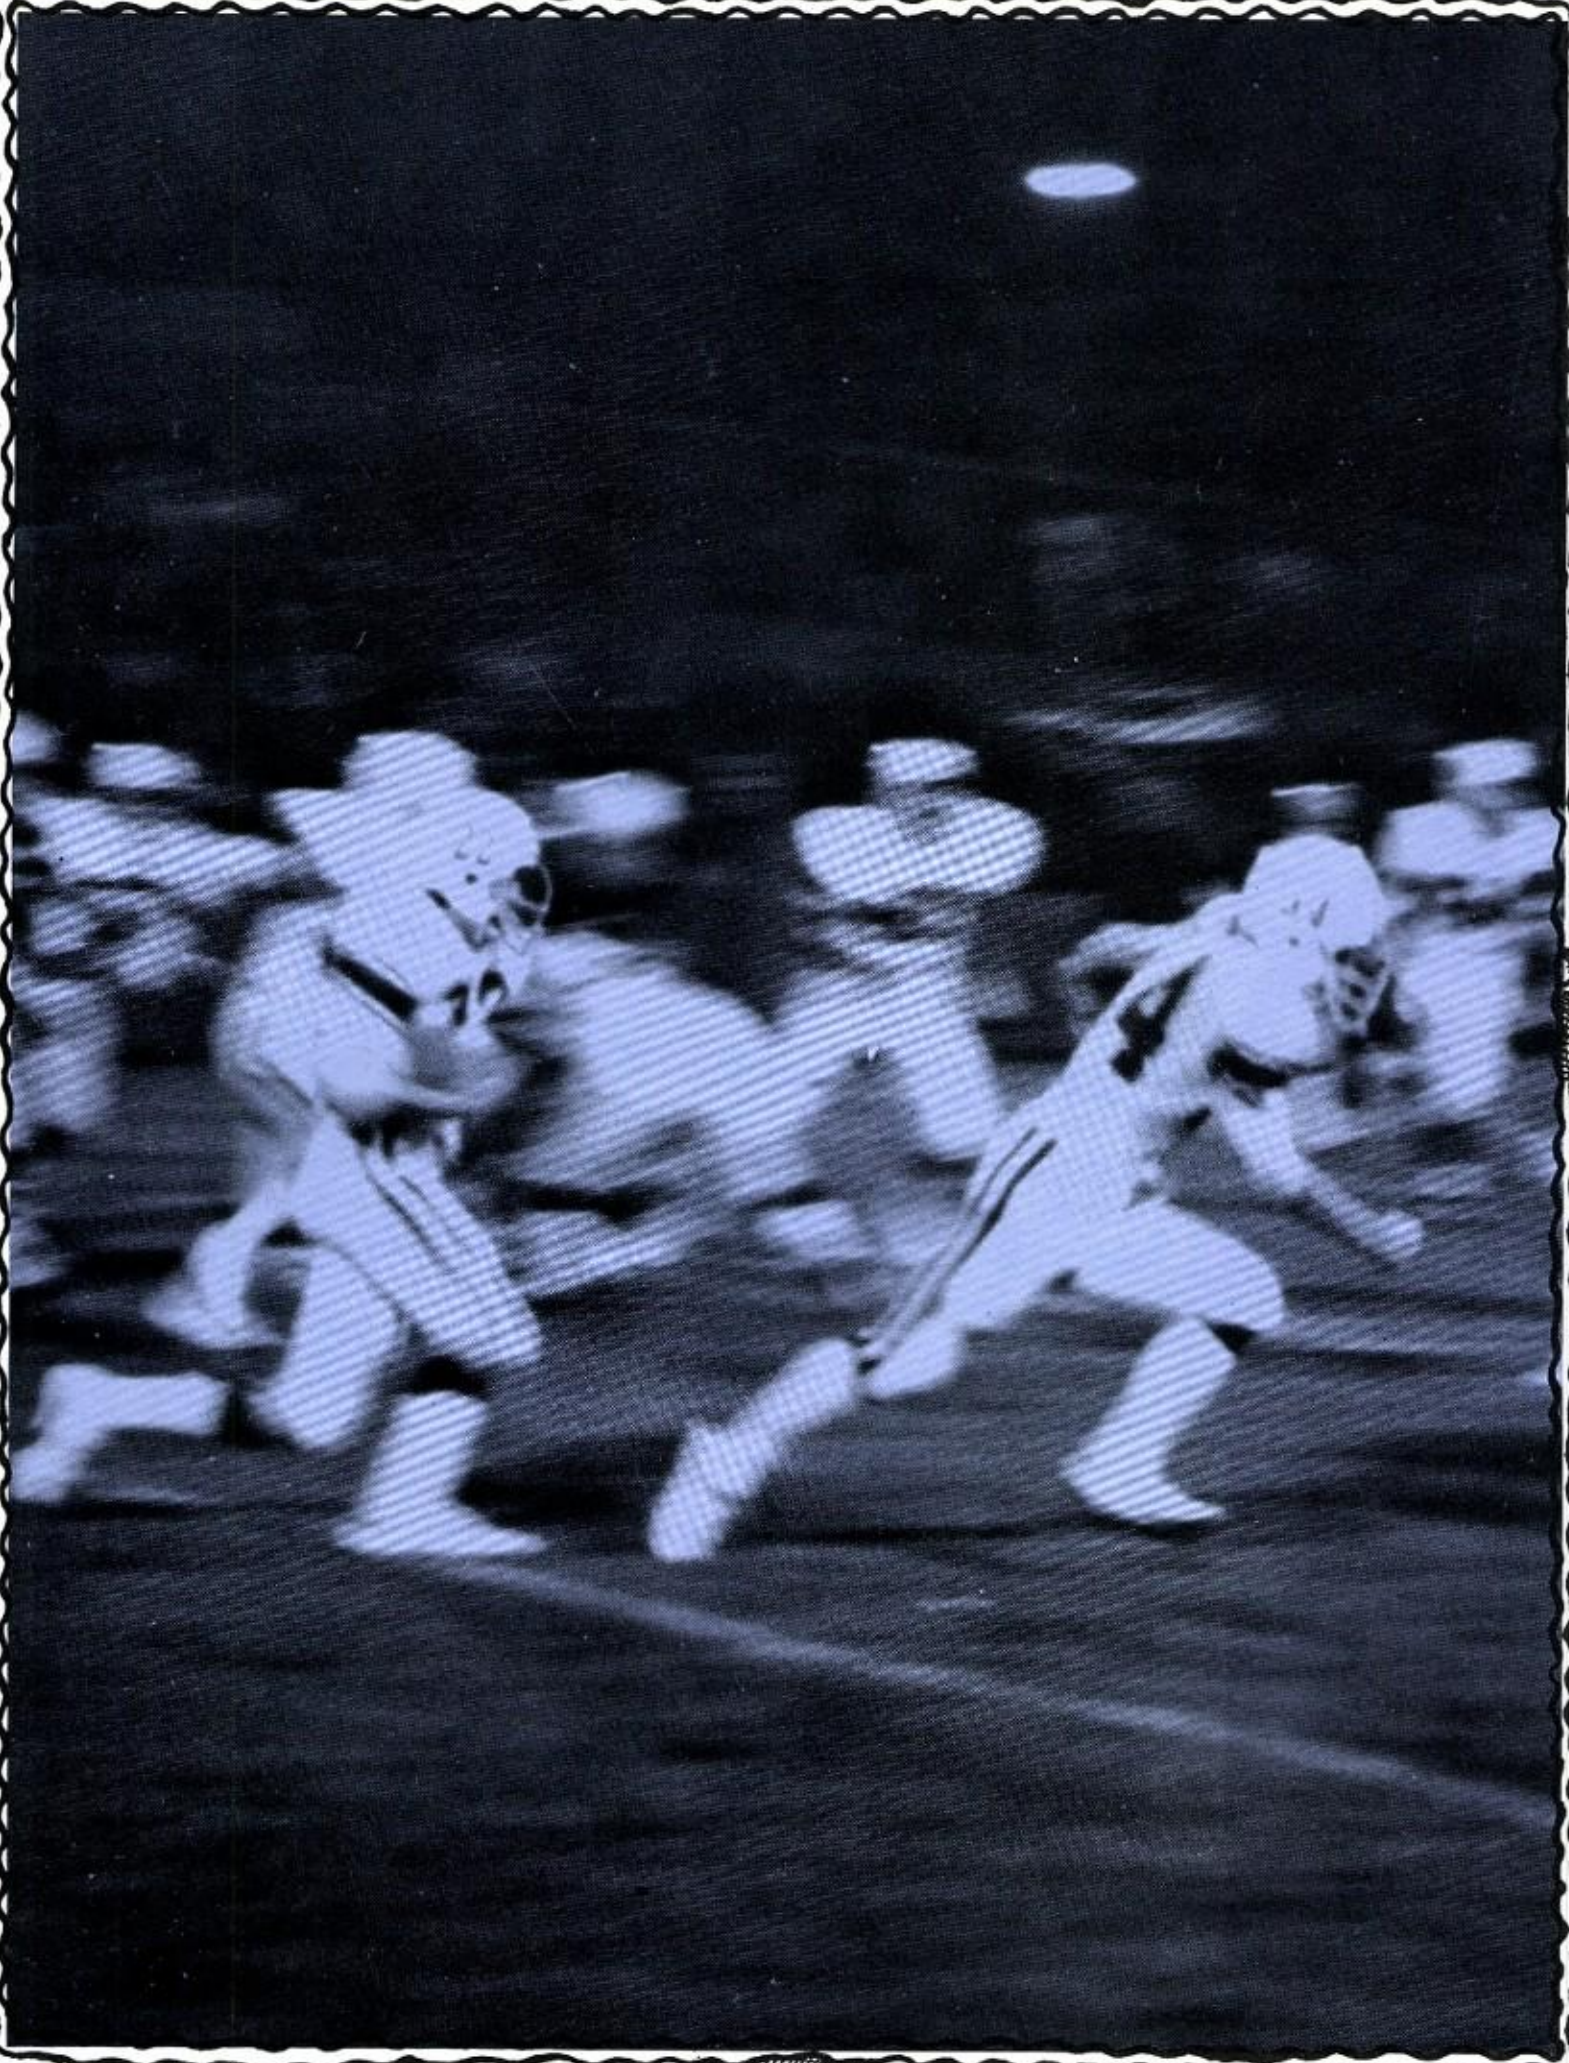


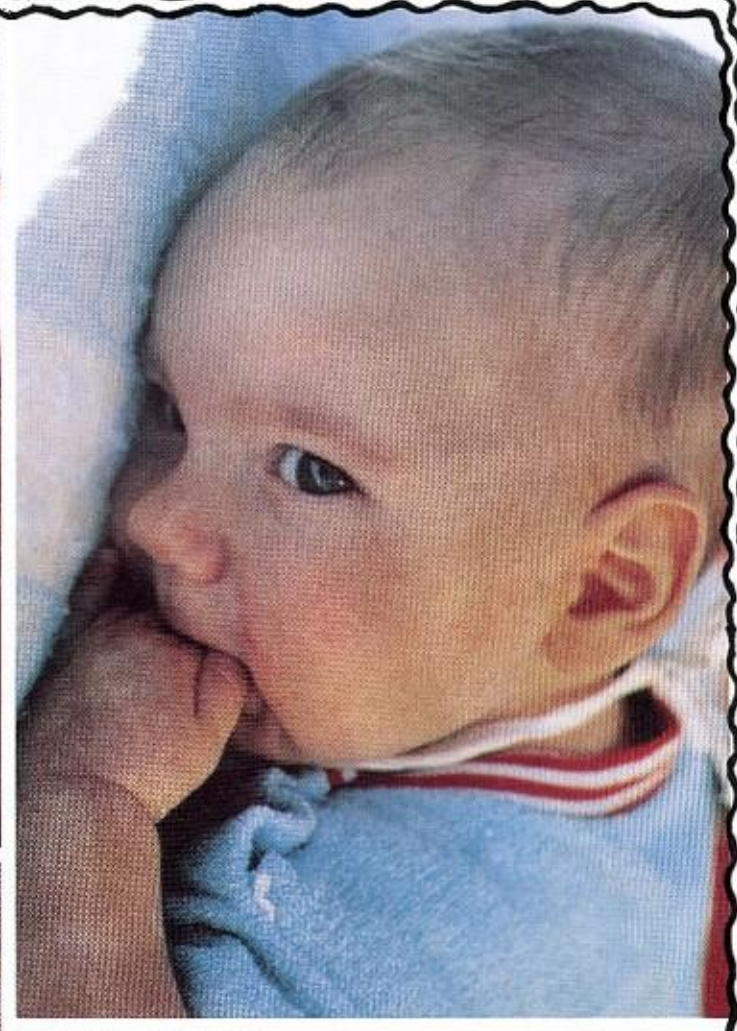
TRIBUTE

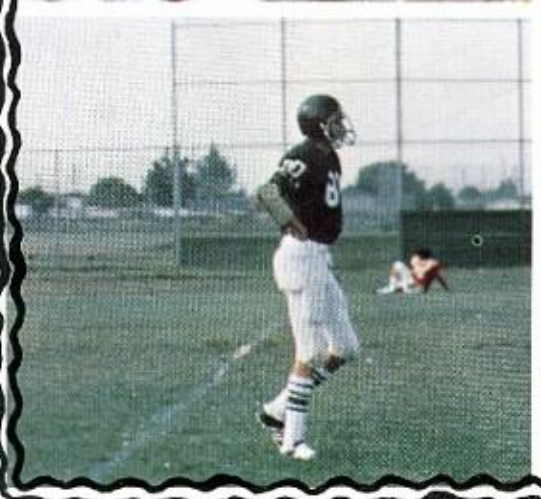


TRIBUTE- "1. A personal compliment given in acknowledgement of gratitude." Each year the Trojan staff dedicates its book to a special person who has done more for the school than just his or her designated duty. This year through our Trojan Voyage we gratefully extend our appreciation to Mrs. Beverly David. Mrs. David is an individual who listens to administrators and students alike and finds the time to help each not only during the school year but during the lonely days of summer vacation. We thank you, Mrs. David, for being our special person.









SENIORS
MCMLXXV

ALISAL
HIGH SCHOOL
CLASS OF 197

The Sensational Seniors Search For Self Reliance In Their Educational Endeavors

The Class of 1975, in its last year of high school existence, strived to make it an unforgettable year. Under the guidance of Senior President George Robles, the seniors staged numerous activities. Heading the list was the Christmas Ball, followed by football concessions, Halloween events, senior class playnight, and graduation activities. Aiding George in the organization were Vice-President Doug Gray, Secretary Rita Bernal, Treasurer Diana Wilkinson and the advisors, Mr. and Mrs. Mortenson and Mr. Espinoza. As the year ends and each graduating senior embarks on his own journey, surely none will forget his stay, and most will treasure the memories of their final year as seniors at Alisal High School.

The Sensible Sophomores Select Their Spectacular School Rings

In their high school sophomore year, the class of '77 held numerous activities. Headed by class president John Dew, the sophomores held their playnight and made the choice and purchase of their class rings. As always, funds were necessary to sponsor these events, so the sophomores held many fund-raising activities, such as car washes, bake sales, and a dance in March. The other officers, Vice-President Mario Amaro, and Secretary-Treasurer Pat Baleva, were more than efficient in performing their duties. Aiding the sophomores in their duties were advisors Miss Albano, Miss Stockton, and Mr. Sarkisian.

Freshmen Are Fascinated By Their First Year

The frolicking members of the freshmen class began their high school career on the right note of an active and energetic year. Through their opening function, the class elections, they chose Jorge Barragan, Rosemary Pulido, and Maria Alvarez to hold the respective offices of President, Vice-President and Secretary-Treasurer. Besides their playnight, they sponsored a successful school-wide Fifties week. Their year could not have been as successful without the help of their able advisors, Mr. and Mrs. Sapiens.

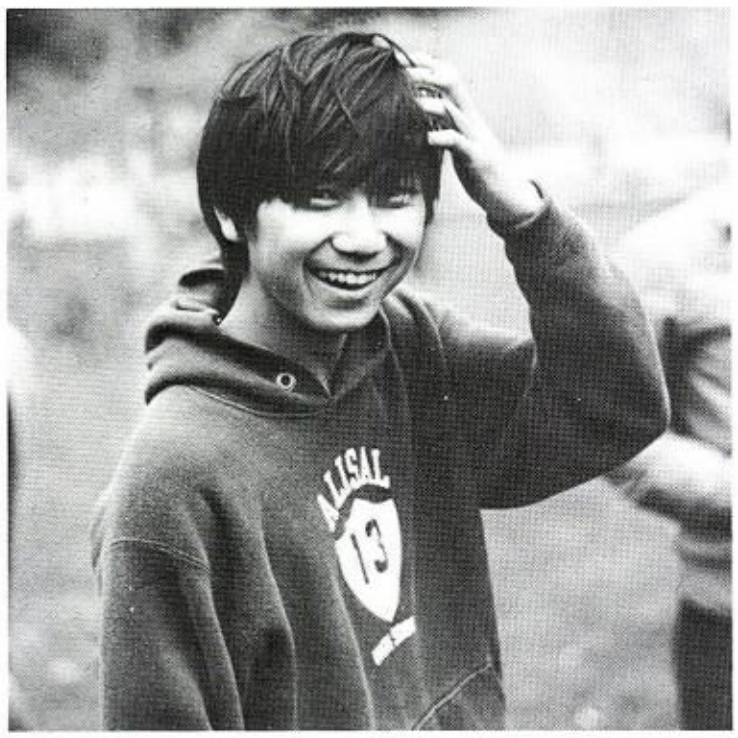
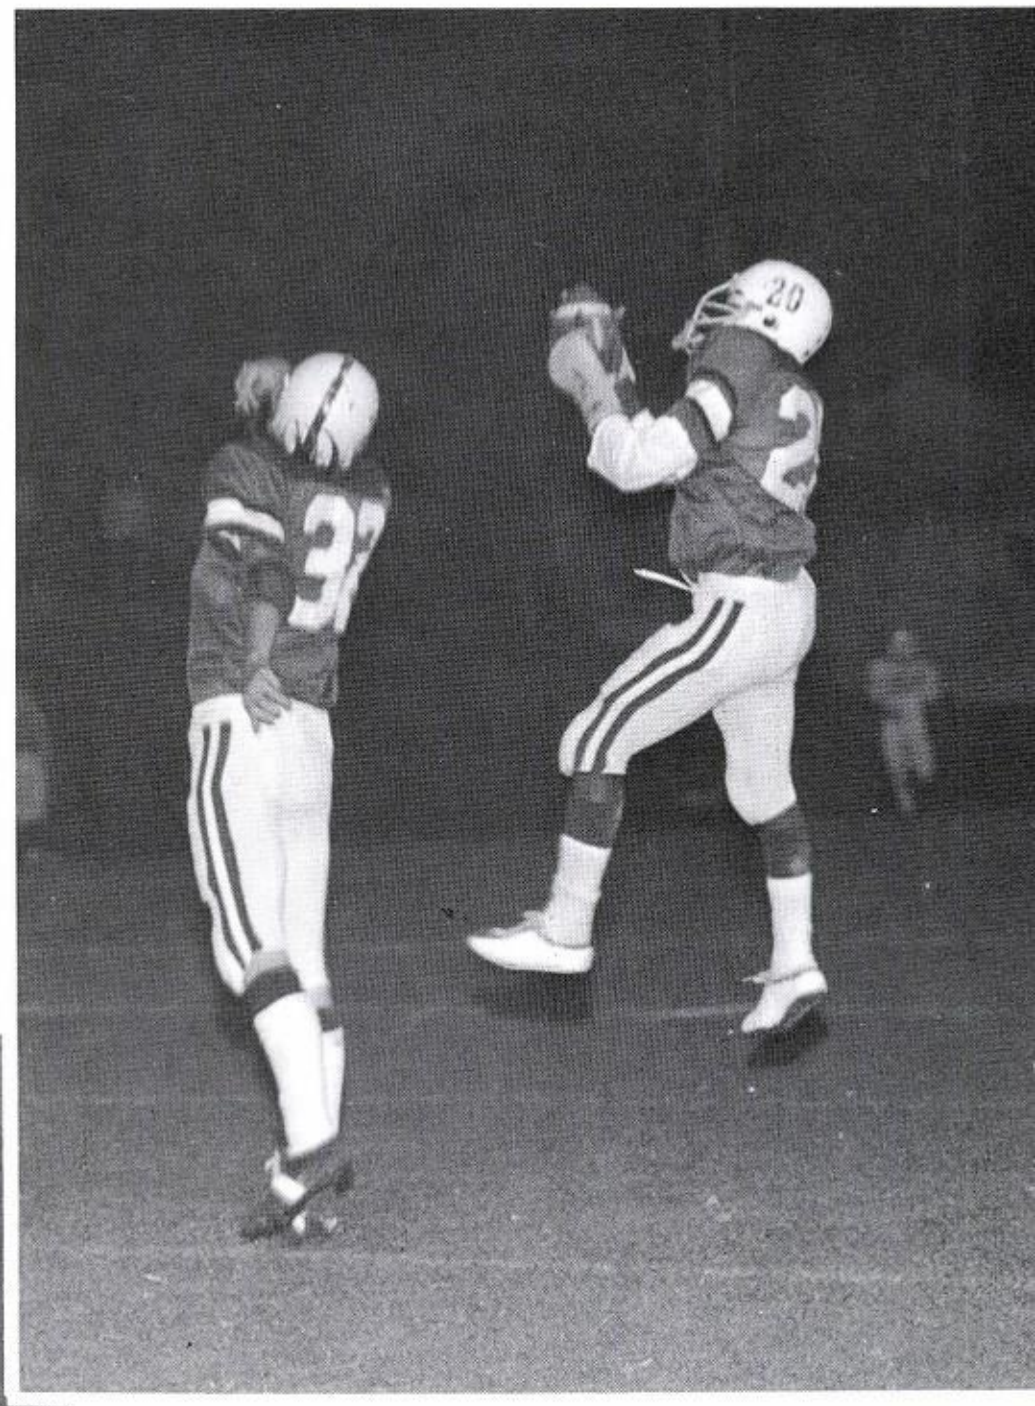
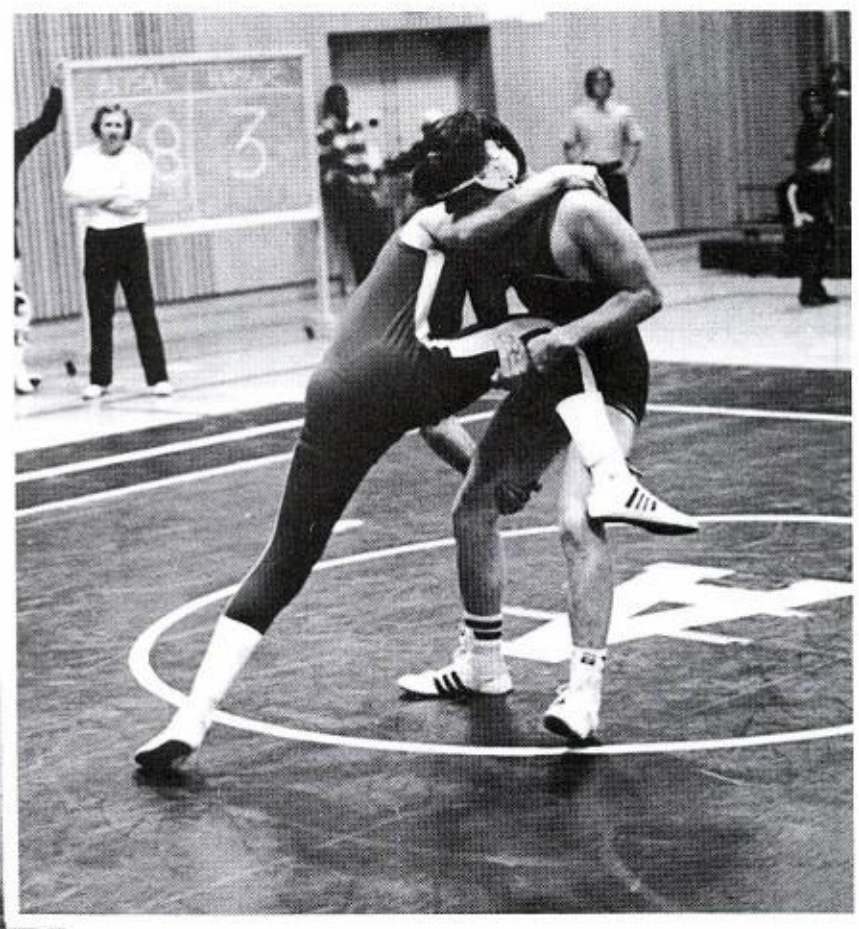
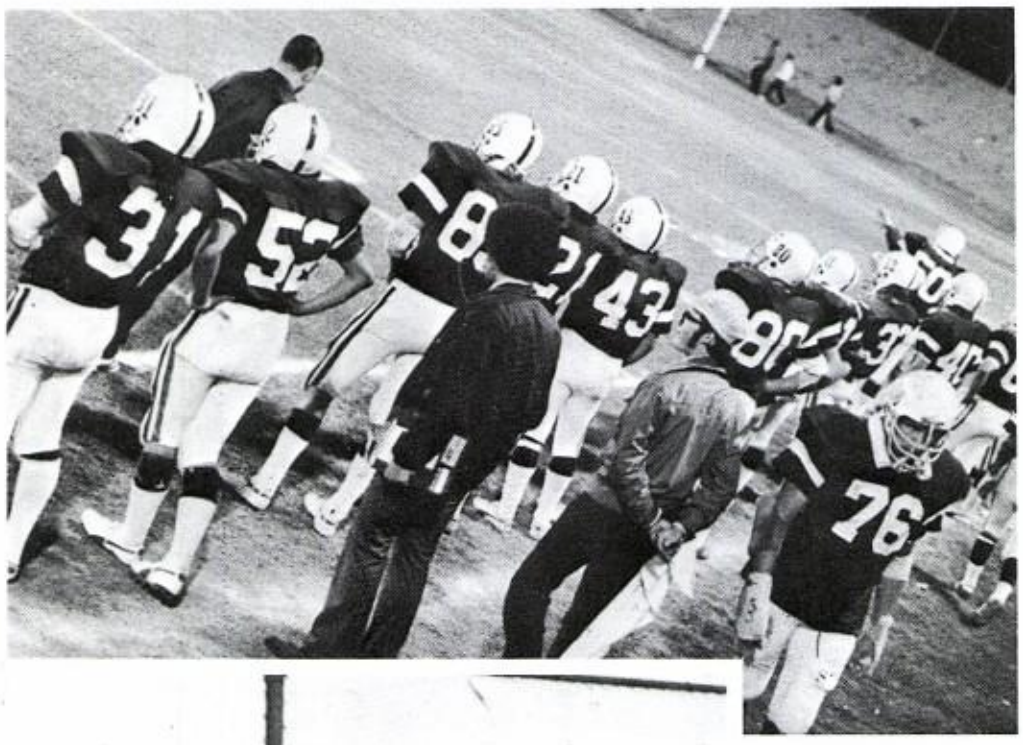
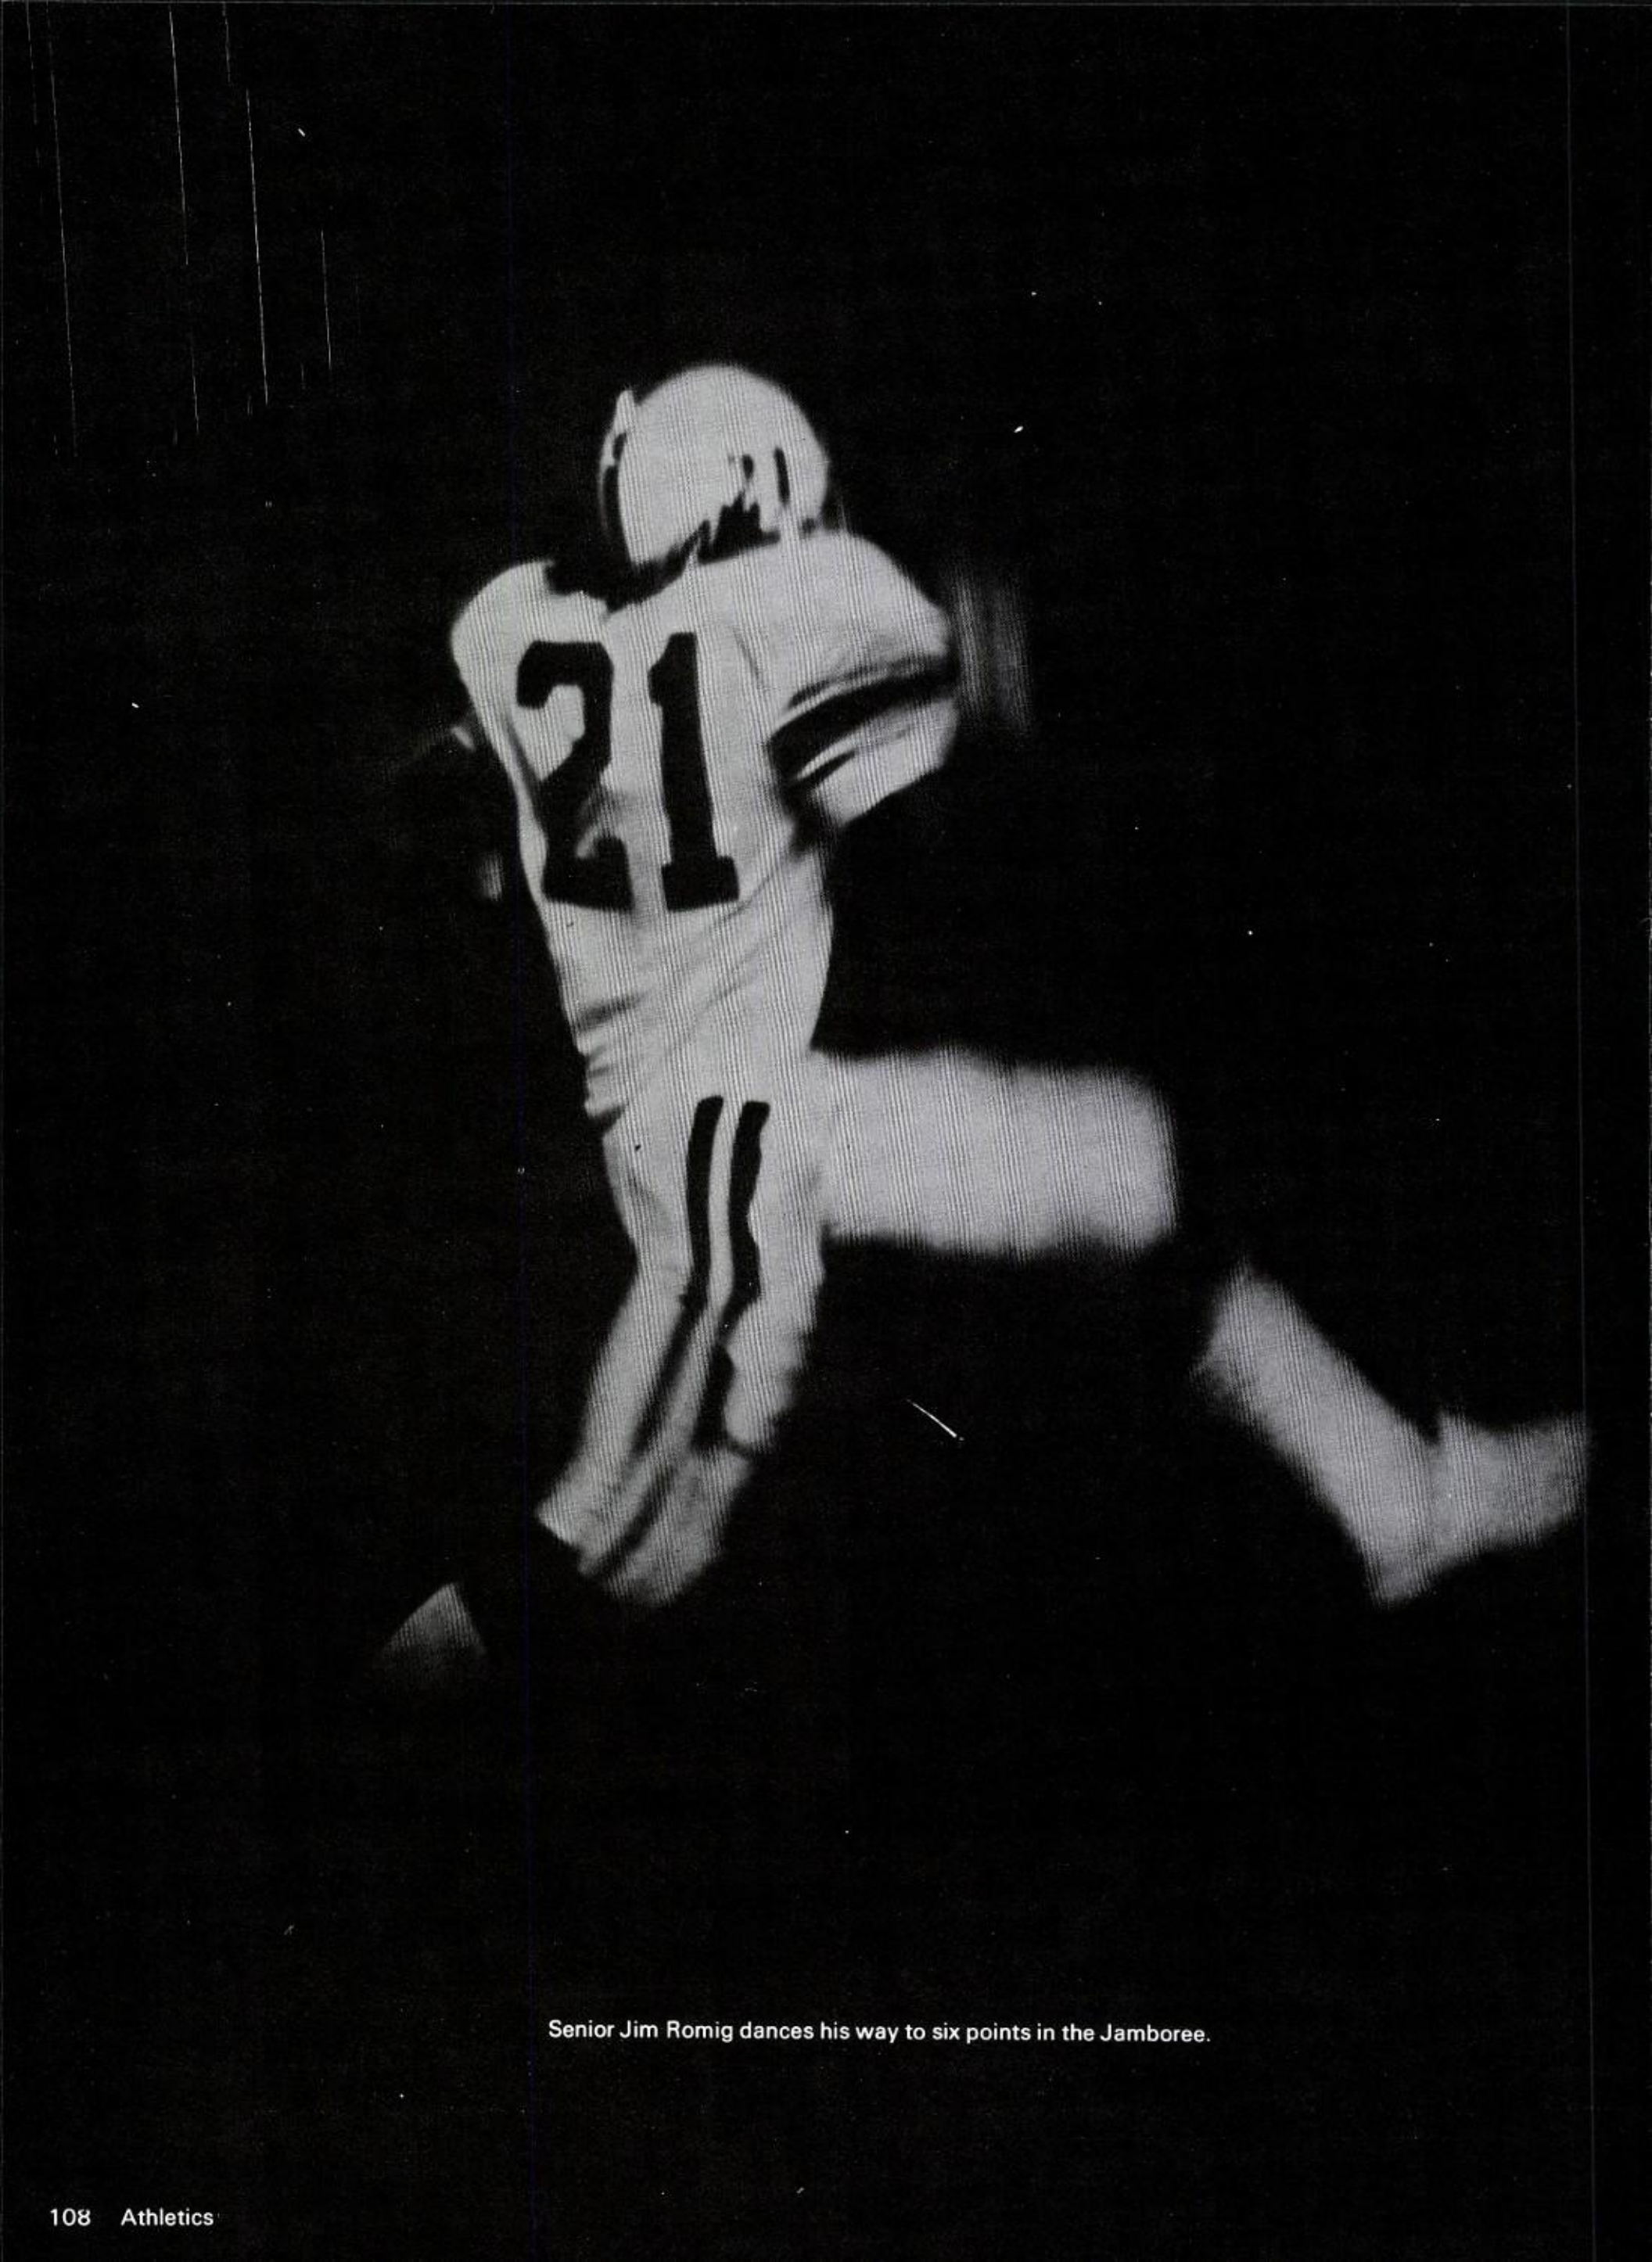
ATHLETICS











Senior Jim Romig dances his way to six points in the Jamboree.

Misfortune Haunts Varsity Footballers

The 1974 Alisal varsity gridders faced a season of frustration and costly injuries in finishing with a 3-6 won-loss record. Coach Chuck Filice's squad, consisting of immensely talented and skillful players, just could not come up with the big break, and most of the losses could have gone either way. After blowing past all opposition in the Jamboree, the Trojans faced San Jose powerhouse Yerba Buena, and disposed of the Warriors, 30-19. The Green Machine's luck soured as they lost the next three games; all by late-game rallies. Facing Arroyo Grande in a non-league match, the Trojans put it all together in a sound 21-0 thrashing of the San Luis Obispo team. The tide of victory turned again, however, as Alisal dropped the next three games, before gaining a win over Salinas High by forfeit.

Although the team's record does not reflect it, this squad was loaded with excellent ballpalyers. Offensively, the passing combination of Danny Camacho and Ed Richards was very effective in putting points on the scoreboard. At tailback, senior Alan Douglas was one of the best in the league. Also, Jim Romig, Dave Schmidt, Mario Rojas, and Jesus Rico greatly helped the Trojan offense to click. In addition, two defensive backs, Gil Ruiz and Chuck Bozzo always seemed to be in the right place to snare stray passes. Middle-linebacker Joe Dew made an impressive showing throughout the season. Other defensive standouts were John Smith, Jim Walker, Richard Sweatt, and Dennis Gilbert.

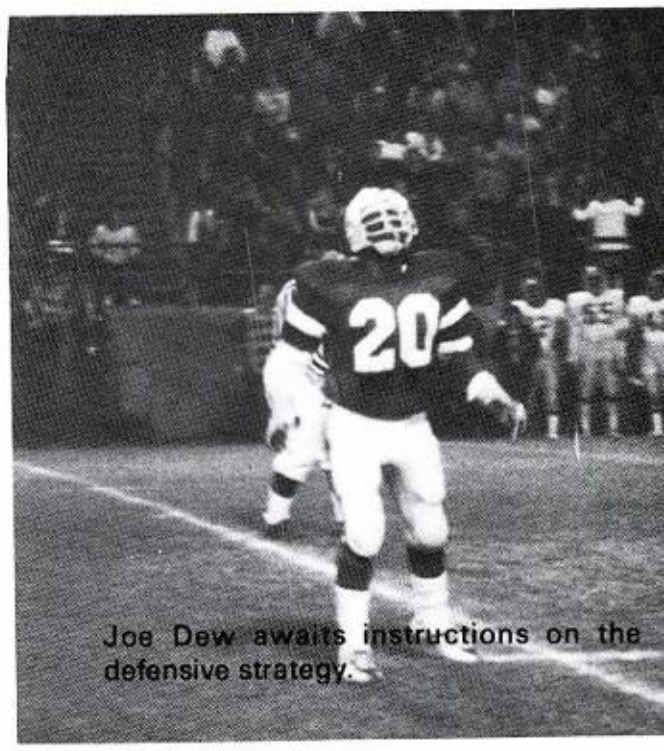
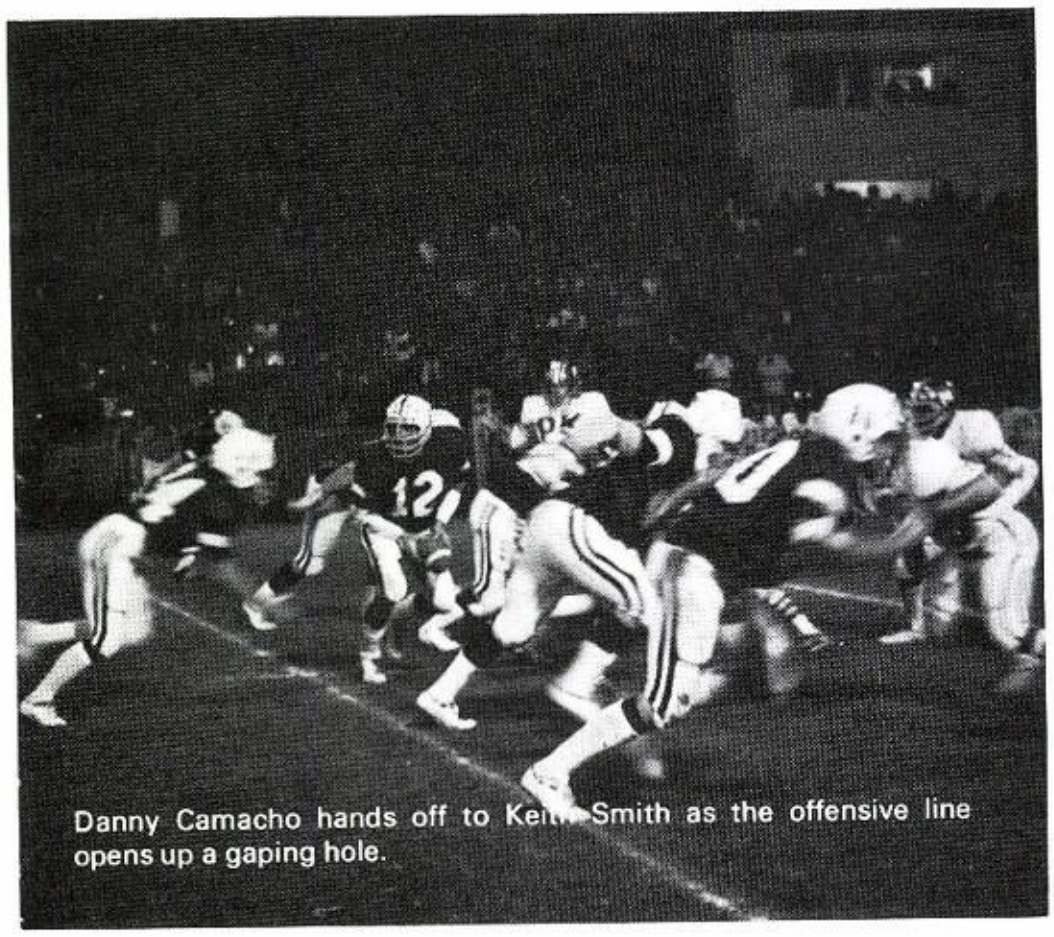
Behind the powerful blocking of Mario Rojas, tailback Tom Bryan sweeps around end for a long gain.

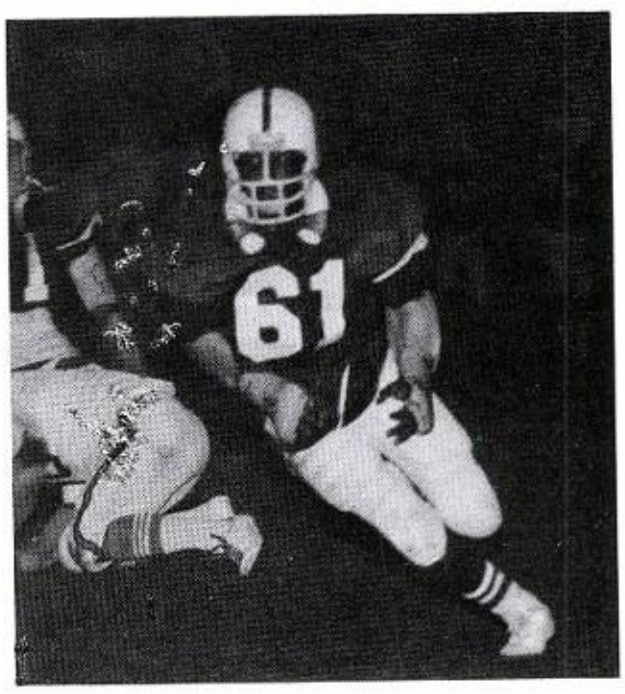


Joe Dew awaits instructions on the defensive strategy.

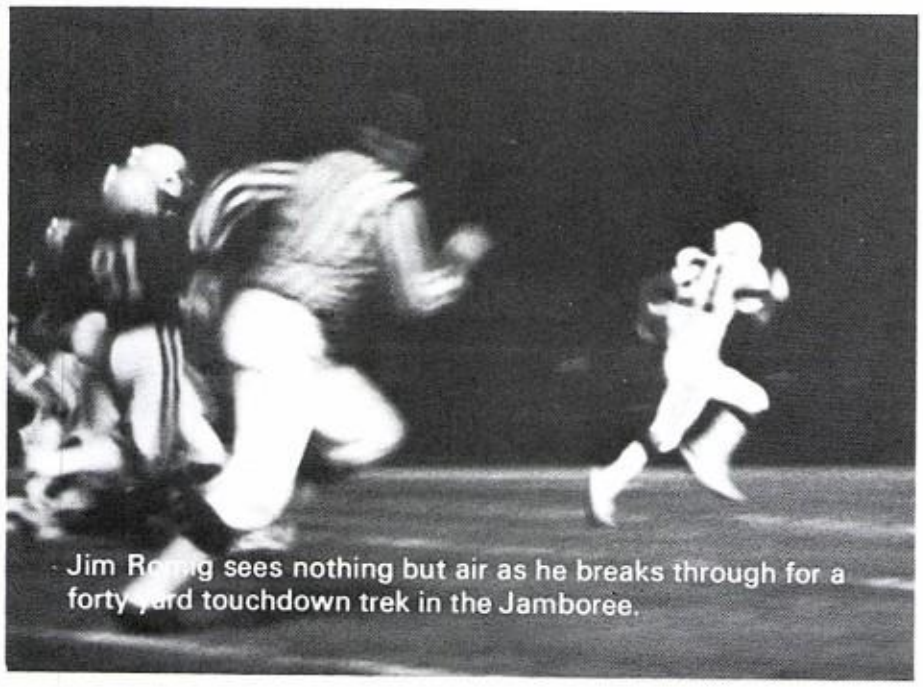
Speedy John Smith returns a kickoff as Alan Douglas provides the blocking.



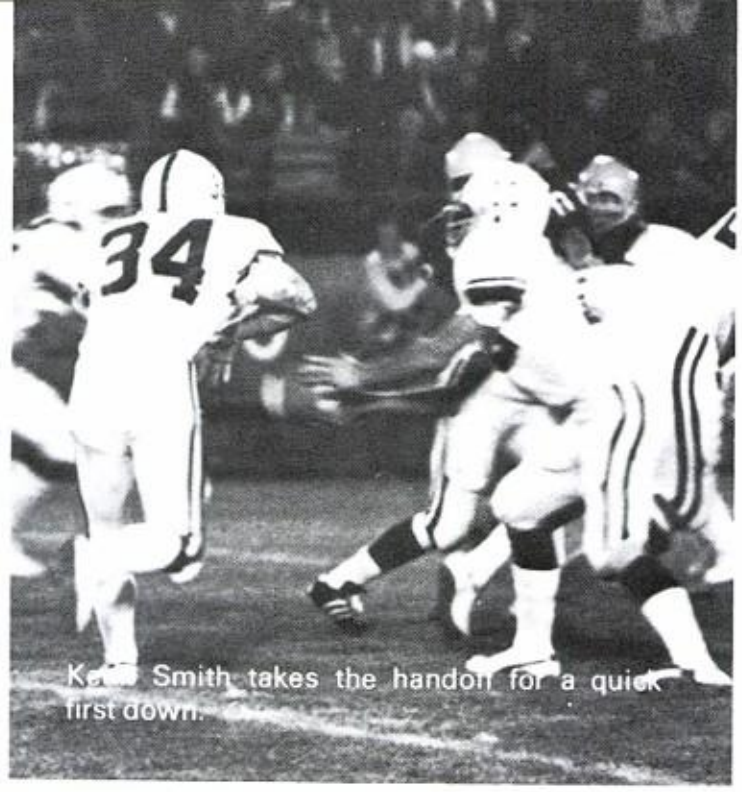
Danny Camacho hands off to Keith Smith as the offensive line opens up a gaping hole.



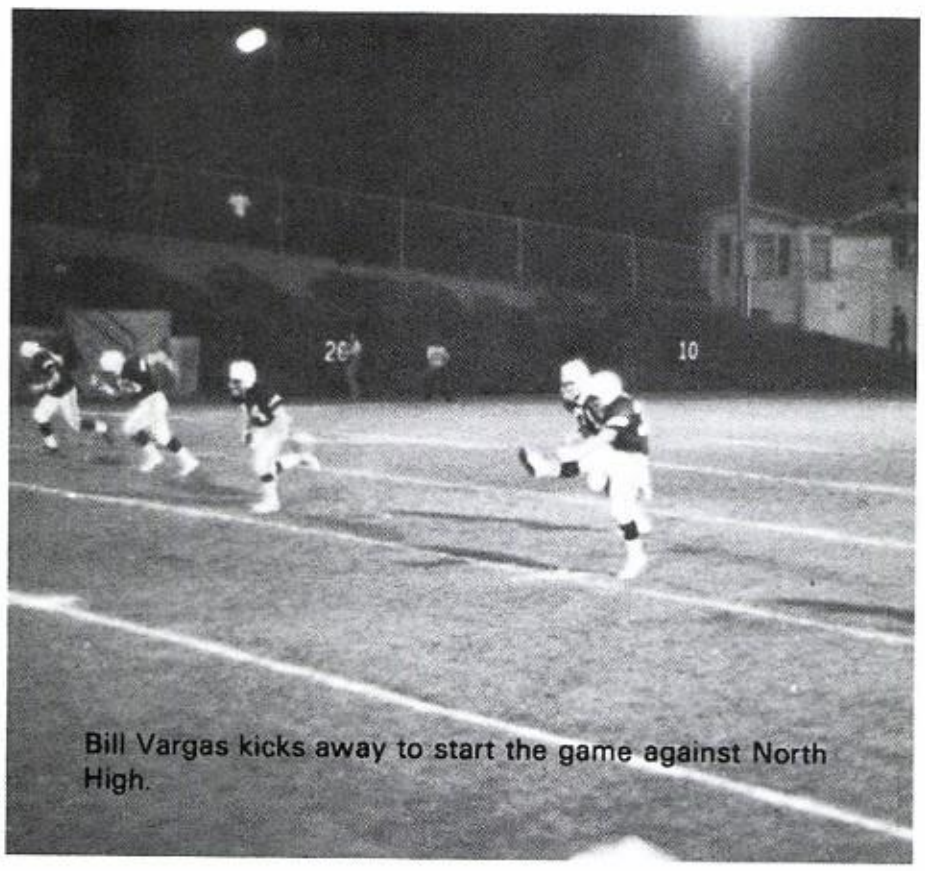
Tackle Sam Simpson joins in pursuit of the ball.



Jim Ro[illegible]g sees nothing but air as he breaks through for a forty-yard touchdown trek in the Jamboree.

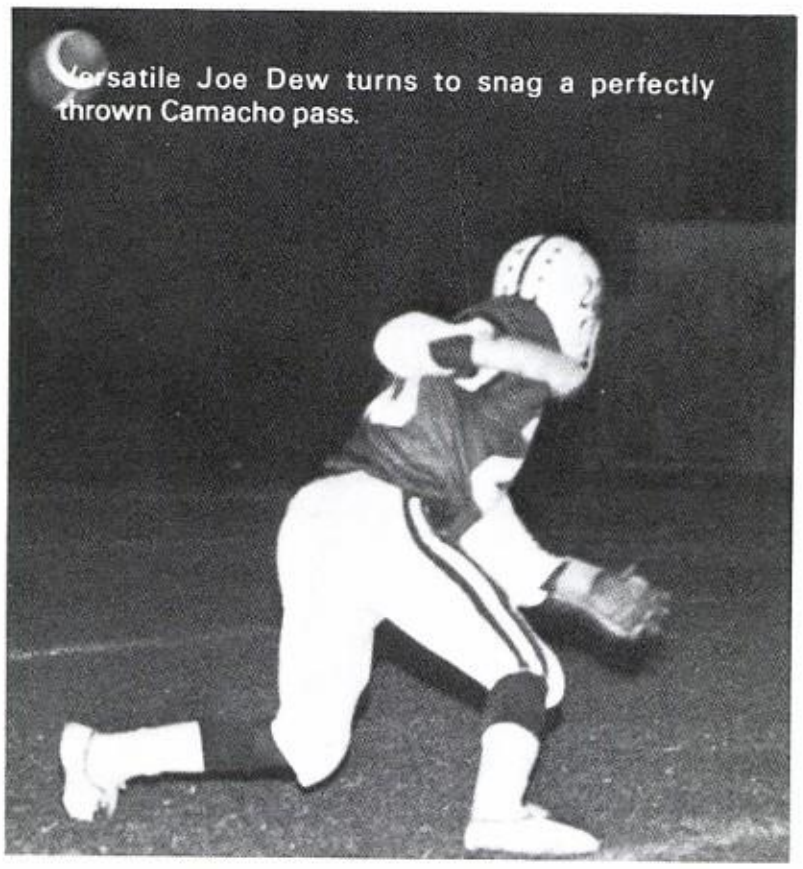


K[illegible] Smith takes the handoff for a quick first down.



Bill Vargas kicks away to start the game against North High.

Al Douglas, with his amazing quickness, left his opponents in the dust in many of the games.

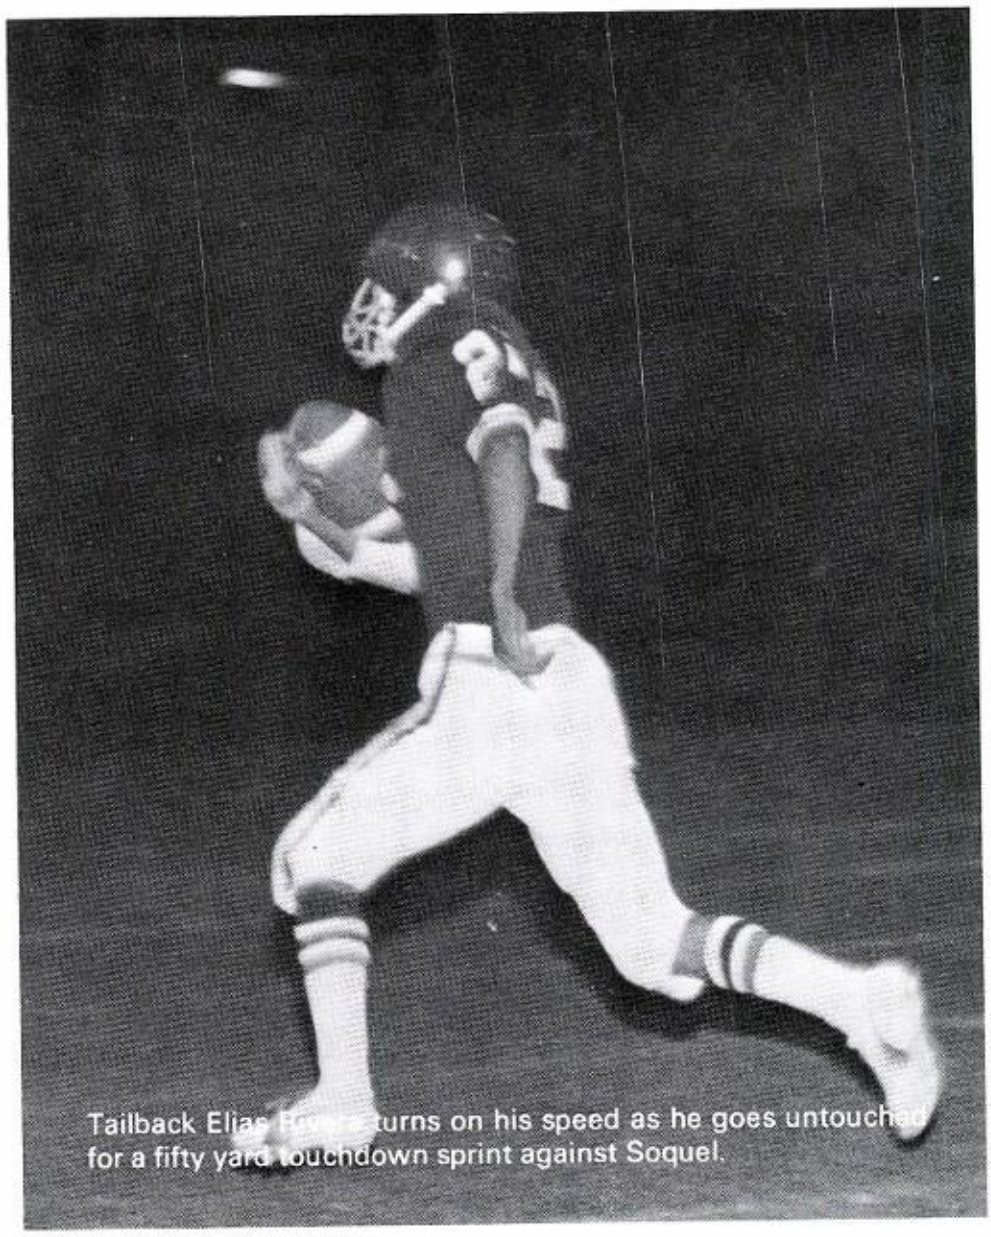


[illegible]ersatile Joe Dew turns to snag a perfectly thrown Camacho pass.

Junior Varsity Tough In Grid Iron Play

The Junior Varsity football team, facing the same amount of misfortune as their varsity counterparts, completed their season with a 2-7 won-loss record. Playing efficiently and effectively, the JV's lost one nail-biter after another, and five of their losses came by margins of four points or less. Coaches Romero and Favero, though disappointed with the team's record, praised the team for their tough competitive play, especially in the latter part of the season. They were particularly pleased with the squad's performances against Monterey and Seaside. Although both games resulted in losses, the JV's exhibited impressive play in both contests.

The offensive standout was Elias Rivera, whose electrifying long breakaway runs dazzled the crowds in many games. Darrell Friddle was declared the outstanding lineman. Rivera and Dave Puno were voted team captains.



Tailback Elias Rivera turns on his speed as he goes untouched for a fifty yard touchdown sprint against Soquel.

Frosh-Soph Gridders Exhibit Impressive Play

Consisting entirely of freshmen, Alisal's Frosh-Soph football team made a good showing with a 3-4-1 won-loss-tie record. Coaches Deaver and Rice commented that they were impressed by the immense talent of the freshmen and both agreed that these players will be heard from as varsity players in the next few years.

Receiving the coaches' praise for their outstanding play were Jaimie Vargas, Andy Cosio, George Ramirez, Joe Taylan, Scott Thomas, Ricky Alvarez, Mark Baudour, Ray Restrani, Eric Rowe, Kevin Bingham, Mark Camacho, Jessie Perez, and Kenny Williams.

Harriers Build Foundation

Alisal's 1974 Cross Country team went through another year of rebuilding. Wins for the team did not come easily or frequently, but their season was highlighted by some outstanding individual performances. Though most of the meets ended in losses, sparkling runs by Mike Terry, Bruce Victorine, Mel Motogawa, and John Nelson aided in keeping the score close. In his first year of coaching, Gerald Reguera finely mentored the young squad. He tabbed Mike Terry as the most valuable asset to the team, with John Nelson the most inspirational, and Johnny Villegas the most improved runner. The squad will lose only two members to graduation. So after this year of experience, they are sure to be heard from in the coming season.

D Cagers Capture Third League Title

For the third time in as many years, Coach Art Gilbert's D basketball team racked up the league championship. The D's waded through their opposition to finish with a 7-1 won-loss record, losing only to North Salinas. Little Homer Hernandez, a quick and skillful player, led the D's in scoring, and was cited by Coach Gilbert as the team captain and MVP. He had a fine supporting cast in Art Pena, Dennis Agpoa, Tyrone Powell, and Alex Acaya.

C Basketball Team Ties For MBL Crown

After five wins and three losses, the C basketball team finished their season as co-holders of the league title, sharing it with North Salinas. Coach Gilbert credited Tony Ceralde as the C captain and MVP and also the leading point-maker for the Troyers. Also playing superbly to support the team's cause were Rey Nicanor, Marty Carpenter, Joel Shumaker, and Dan Lavilla.

Varsity Cagers Experience Frustrating Season

Lack of experience proved to be too much as Alisal's varsity cagers finished a disappointing season with a 6-18 overall won-loss record, with league play at 3-11. Boasting an immense array of height, Alisal thrashed through the Alisal Invitational Tournament to capture third place, losing only to eventual champion Overfelt. But it was downhill afterwards as the Trojans dropped their next five games before defeating Palma. Alisal launched its league schedule on the right note by smothering Soquel and Santa Cruz. In the next game, however, the Trojans fell to Watsonville and proceeded to lose to Aptos in the following contest. The Trojans seemed unable to muster any type of an attack as they continued their losing string to eight more games. This dismal skid was halted at the North Salinas gym, where Gus Gutierrez's shot at the buzzer defeated North High, 54-53. In the final contest of the season, the Alisal cagers threw a mighty scare into league champion Monterey by rallying from a twenty point deficit to almost beat the Toreadors.

Coach Haddan had high praise for senior Craig Andrus. Andrus led the team with his leadership and tenacious defense. Gus Gutierrez was also outstanding, though his glory came in the final three games. It was Gus' basket which ended the long losing streak, and his shooting and defense which almost defeated Salinas and Monterey. With underclassmen Gary Dennis, Tom Bryan, Dave Puno, Jerry Odom, and Ed Richards returning, fans of Alisal basketball can look forward to next year.

Junior Varsity Basketball Team Weak In League Play

Coach Art Gilbert's junior varsity basketball squad couldn't find the winning combination as they struggled to a 4-20 overall record, 2-12 in league. Coach Gilbert attributed his team's troubles to the lack of both height and experience. The team did boast two talented guards, Tony Rimando and Tony Ceralde. Rimando led the team in scoring while Ceralde used his shooting and quickness to the fullest extent. Two other players were cited as commendable by Coach Gilbert. They were Danny Comacho and Mike Grice. These two players contributed excellent defense and hot-shooting spurts to the team throughout the season. Also named for their play were Pat Williams, Curtis Stackpole and Scott Thomas.

Frosh-Soph Cagers Promising For Future

Coach Al Garner's frosh-soph basketball squad finished in the same manner as their varsity and junior varsity counterparts as they underwent a lackluster year to conclude their season with four wins against fifteen losses. Their league log ended at 2-12. Considering there were only four sophomores on the team, the future Trojans did a commendable job the entire season. The young squad was led by the guard tandem of Homer Hernandez and Willie Cuello. These two ballhawks proved to be a threat to any team during the season. Rey Nicanor and Bruce Holt filled in the forward positions, while Ricky Alvarez started at center. Credited as valuable substitutes were Robert Sides and mid-season recruit John Dew. Sides and Dew contributed heavily in the rebounding department and occasionally exploded for high-scoring nights. With almost all players as possible returnees, the winning tradition is sure to return to the ranks of Alisal's basketball squads of Freshmen and Sophomores.

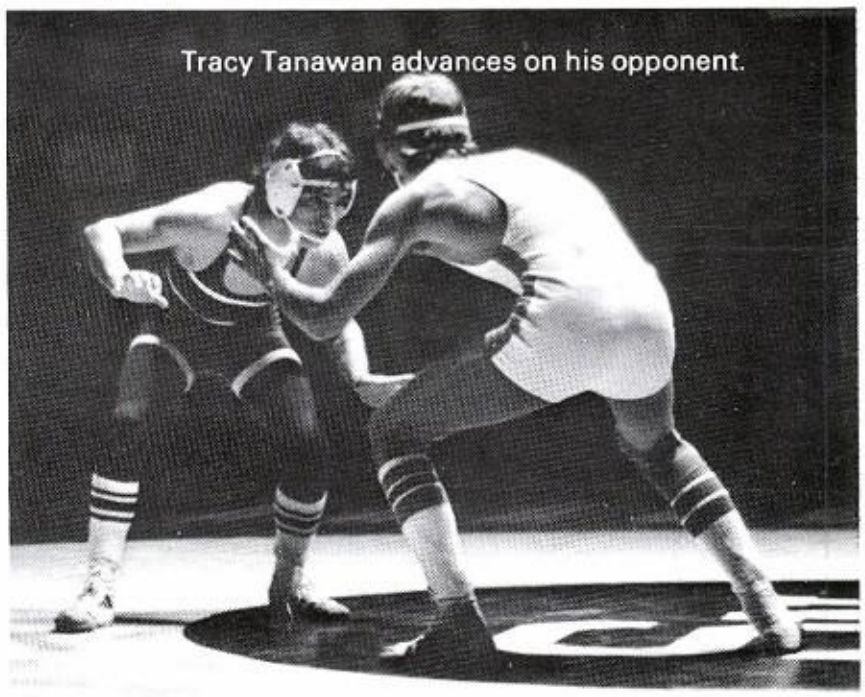
Varsity Grapplers Reign As League Champs



Tracy Tanawan advances on his opponent.

Alisal's varsity grapplers put it all together this year as they captured the Monterey Bay League crown with a perfect 9-0 dual meet record. Coach Terry Espinoza's wrestlers waded through all competition to capture the title. The dual meet season was highlighted when Alisal met North Salinas in the Viking gym. North High, predicted to give Alisal stiff competition, was smashed by the Trojans, 33-18.

In tournaments, the team usually had to settle for a close second. The Trojans ended in second at the Alisal, Ayer, and Gonzales Tournaments. However, at the Blossom Hill Invitational, the Trojans showed their strength by capturing first.

Individual performances at these tourneys were outstanding. In the first tournament of the year at Ayer High, championships were won by Roger Diaz (138) and Dave Ceja (hwt), Art Ocampo (95), Mark Yamaguchi (105), and Javier Alvarez (112) won second place medals. Next was the Alisal Invitational, where Diaz and Ceja, along with Wayne Knight (195) emerged as champs. Yamaguchi was the sole second place finisher. At the Blossom Hill Tourney, Yamaguchi won first place, followed by second place finishers Diaz, Alvarez, and Ceja. At Del Mar, Diaz was again champ, while Alvarez settled for second. Gonzales was next, and Diaz surprised no one by capturing first, while Ceja, Knight, and Yamaguchi won second place medals.

In post-season competition, Alisal took second at the MBL Tournament. League champs for Alisal were Diaz and Alvarez, with Ceja and Yamaguchi finishing second. Stiff competition at the Region IV Tournament thinned out the Trojan ranks, but the final placings showed Roger Diaz, with a fantastic 36-1 record, at first with Javier Alvarez. These two, with qualifiers Dave Ceja, Mark Yamaguchi, and Art Ocampo, advanced to the CCS meet at Monta Vista High in San Jose.

JV Wrestlers Capture Second Place In League

The Junior Varsity wrestling team, with a 7-2 won-loss record, finished second in both the Monterey Bay League dual meet standings and the MBL post season Tournament. The only losses for this squad, led by coaches Sarkisian and Rice, came at the hands of Soquel and North Salinas. In the MBL Tourney, Mike Cerna, a tough 112 pounder, garnered first place honors. Second place finishers for Alisal were Alan Folen, Mike Zwarts, Jim Anderson, and Juan Guzman. Robert Belasco and Pete Pura captured third place medals. These grapplers, and others, are promising competitors who will surely keep up the fine quality of wrestling which Alisal possesses.

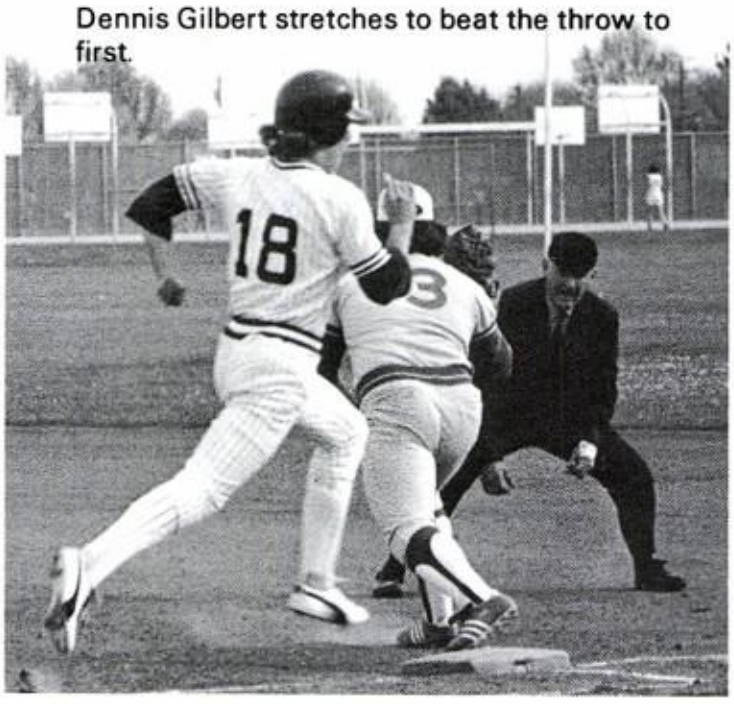
Powerful Baseballers Overpower Opposition



Dennis Gilbert stretches to beat the throw to first.

The 1975 Trojan varsity baseball squad flexed its strength this year while breezing to another winning season. Coach Filice's talented team, which last season blasted its way to a third place finish in the Central Coast Section Playoffs, began its schedule with inconsistent play and pre-season jitters, but changed the tide by wading past most of the remaining opposition.

Alisal boasted excellent outfield and pitching staffs, and a very competent infield. John Smith joined returning All-MBL picks Al Douglas and Gil Ruiz to give the Trojans the fastest outfield in the league. Amazing Gary Rowe, using his fantastic pitching skills throughout the season, teamed with Dan Comacho and Mike Hernandez to form a first class pitching staff. The Trojan infield consisted wholly of underclassmen, with the exception of third baseman Floyd Nelson.

These talented players combined their skills with the high knowledge of Coach Filice to retain the winning tradition which has been exhibited by the past Trojan varsity baseball teams. The defending Monterey Bay League and Region IV champion team was composed of five capable seniors and eight talented underclassmen, the latter of which will return next season to once again exhibit Alisal's fine line of play by the Trojan baseball teams.

J.V. Baseball Team Finishes High In MBL

Under the guidance of coach Gary Mortensen, Alisal's junior varsity baseball team experienced an outstanding season this year. Paced by the pitching tandem of Eric Rowe and Daryl Sinclair, the young Trojans reigned as one of the powerhouses in the Monterey Bay League. Coach Mortensen was exhuberent in his praise for the two skillful pitchers, citing their performances as the vital aspect in his team's success. He also had high praise for Clyde Udasco, Victor Zermeno, Brad Harber, Randy Fernandez, and Cory Patton.

Varsity Cindermen Shine In Tourneys

Alisal's 1975 track team, faced with a relatively small turnout, struggled throughout the dual meet season. The tournaments, however, were highlighted by some outstanding individual performances. Sophomore sensation Tom Bryan sparkled in two events, the hurdles and the high jump. Weightmen Bob Hopper and Dave Schmidt turned in commendable performances in both the shotput and the discus, while Jim Lucero clocked in as one of the league's top 880 yard runners. Also shining for the varsity cindermen were Tony Taylan, high jumper and hurdler, Alan Cox, sprinter, and Dennis Maduli, hurdler. The varsity squad was co-mentored by coaches John Favero and Andy Allen.

Frosh-Soph Track Squad Show Strength In League

This year's frosh-soph track team displayed an exceptional level of competative performances throughout the season. Consisting largely of some highly talented freshmen, as well as returning sophomores from last year's squad, the team overcame the shadow of inexperience, which frequently haunts novice athletes, to present themselves proudly against all opposition. Coaches Favero and Allen shared high praise for the following athletes in their specialties: Joe Taylan, long and triple jump, and 220 yard dash; Dennis Agpaoa, hurdles; Tito Messerli, pole vault, and William Lee, 100 yard dash.

Individuals Spark Alisal Swim Team

The Trojan swim team, coached by Connie Barton, suffered a lackluster season this year, due to a relatively small turnout of members. However, individual performances brightened the otherwise uneventful year. The Trojan mermen were led by two top swimmers, Richard Briggs and Kevin Ryburn. Briggs swam the breastroke in one of the fastest times in the league, while Ryburn paced the squad in the freestyle. Although consisting of only thirteen members, Alisal's swim squad did perform commendably against most of the season's opposition.

Powerful Tennis Squad Displays Strength In MBL

Alisal's 1975 tennis team completed its season as one of the best in the school's history. With all of last year's lettermen returning, Coach John Deaver's squad boasted a powerful roster of skilled players. Paced by sophomore Lance Osborn and senior Jim Sasules, the tennis team bowed to Aptos and then smashed San Lorenzo Valley to commence their season. Other players in the Trojan lineup were David Scott, James Baughman, Henry Kalisiak, Keith Rice, Carol Hale, and David Williams.

Alisal Booters Finish Second In MBL

Alisal's 1975 soccer team, coached by Mr. Clark, finished second in the league this year with a 12-2 won-loss record. After an undefeated pre-season log, the team met powerful Watsonville in the league opener, and lost, 4-1. However, they bounced back to defeat Salinas, Harbor, and North Salinas to remain in second place. In their next meeting, they revenged their earlier loss and defeated Watsonville, 4-2. But their playoff hopes were dashed with an untimely upset loss to Salinas, and they were forced to settle for second in the league.

Outstanding players for this team were All-Monterey Bay League selections Roberto Ruiz and Victor Favila. Also lauded for their play by Coach Clark were Pablo Correa, Jaimie Lopez, Alfredo Lopez, and Raul Baez.

Alisal Grapplers Capture CCS Crown

For the first time in the history of Alisal High, the Trojan varsity wrestling team captured the Central Coast Section Wrestling title. A five man contingent, led by defending heavyweight champion Dave Ceja, traveled to Monta Vista High in March to participate in the CCS Tournament.

Art Ocampo (97) and Mark Yamaguchi (105) failed to place, but these two fine grapplers exhibited excellent wrestling both in the tourney and throughout the season. Javier Alvarez (115) waded through his competition before falling victim to a loss by decision in the finals. Roger Diaz (133), after an exhibition of extremely impressive wrestling, suffered a severe knee injury which prevented him from competing in the finals. Diaz, posting a phenomenal record of forty wins and one loss, and teammate Alvarez received second place medals for their efforts. The story was different for 235 pound Dave Ceja. After losses in the finals of the league and region tourneys, Ceja vanquished any doubts as he mowed down anyone in his way to complete the finals as a two-time CCS champ.

It would be impossible to overlook the performance of team mentor Terry Espinoza. For his outstanding coaching, Espinoza was named the "CCS Coach of the Year". Coach Espinoza and his wrestlers deserve high praise for their part in the greatest performance ever by any of Alisal's wrestling squads.

Cindergals Suffer Frustrating Season

Coach Pam Frees' girls' varsity track team underwent a disappointing dual meet season this year. After beginning the season by losing dual meets to Aptos, King City, and Salinas, the girls' team did not fare well in the remainder of the season. However, the cindergals did boast some outstanding individual performers. The most notable members were hurdler Cath Powell, high jumper Grace Bandong, runner Rachel Amparano, and freshman speedster Kelly Norwood.

Varsity Cagers Experience Tough Season

Playing against rugged competititon, Coach Pam Frees' varsity basketball team ended their season as the 6th place finisher in the league. The coach praised Debbie Geissler for her all around play and named her the Most Valuable Player. Also receiving commendation for their play were guards Karen Doris and Cindy Whitmire, and rebounders Julie Hughes and Gloria Domalaog. Young Tennis Team Gains Skill And Knowledge

Under the guidance of coaches Florence Camany and Kaylene Mortensen, the 1974 girls' varsity tennis team was unable to overcome its inexperience and finished seventh in the league with a 1-6 won-loss record. Being a young team, the girls increased in skill and knowledge. Dubbed as outstanding performers were Pam Edwards, Sylvia Rocha, and Teresa Gonzales. Also commended were Pam Edwards for her seventh play in the MBL singles, and doubles, Pat Dias and Tammy Garner for their seventh place finish in the League meet.

Gymnastics Increases In Popularity

According to coach Jane Little, the sport of gymnastics is ever increasing in popularity. This has benefited Alisal's girls' gymnastics team with an increased membership, and it has also heightened the level of competition in the league. Nevertheless, the girls worked hard and performed well throughout the year and set a good standard with their performances in dual meets and in the MBL finals at North High. Coach Little deemed Sandi Carrillo as the top gymnast in the Beginners bracket with Kim Neighbors and Colleen Lee turning in strong performances in the Novice class.

Numbering only nine, the minute girl's swim team underwent a disappointing dual meet season. However, the dismal team showing was overshadowed by some outstanding individual performances. Highlighting the season were the results turned in the 100 yd. freestyle relay team .Consisting of Christy Schneider, Tracy Dames, Patty Abel, and Colleen Clausen, this team broke a long-standing school record in that event. To add icing to the cake, they broke their own record in the next meet. The relay team wasn't the only spotlight of Coach Connie Barton's swimmers. Colleen Clausen advanced through post season meets in the 50 yd. breaststroke, and freshman Christy Schneider performed well in diving competition.

Strong Teamwork Aids In Competitive Volleyball Play

Complete teamwork was the main objective of the 1975 volleyball team. Aiding the younger members of the team were the graduating mighty four; Karen Doris, Cheryl Favero, Mary Doris and Debbie Giessler. This was the second successful year of a co-ed team and a men's recreational volleyball team. With the never ending help and encouragement of their adviser, Mrs. Kaylene Mortensen, the team proved to be one of the best of Alisal High.

Government, Guiding A.S.B. Officers . . .

The 1974-75 A.S.B. officers were perhaps the most active in the school's history. Besides sponsoring various activities, the student officers were called upon to help decide future policies at Alisal. Phil Dyk served as A.S.B. President, along with Vice-President Cheryl Favero, Treasurer Vicky Teague, and Rosanne Ryburn. They all receive commendation for a job well done. These students were also an integral part of the student body government: commissioners-Bernie Agpaoa, Pat Amaro, Sal Sanchez, Kathy Powell, Beth Dyk and School Board Representative Janice Haydon.

The Ilios Club is an organization of wrestling fans which work throughout the year for the benefit of Alisal's wrestling squads. This year's club was extremely successful in their endeavors. Headlining the list of activities was the staging of the Second Annual Alisal Invitational Wrestling Tournament. With president Mark Yamaguchi and advisor Coach Espinoza at the helm, this function successfully raised abundant funds for the teams. The funds were used to purchase new uniforms for Alisal's league champion grapplers, and also to hold a club picnic. Other officers were vice-president, Javier Alvarez, and secretary-Carol Yamaguchi. Democracy, Deciding . . . Homeroom Representatives

As in previous years, this year's group of homeroom representatives served as a vital cog in our student government system. A representative is chosen from each of the third period homeroom classes, and this student attends the commission meetings held every other week. Here the representative has to pass or defeat issues presented inhhe commission agenda. Through this method the views of almost the entire student body is focused to this small, diversified group, which ably decides on the school's issues.

Alisal's chapter of CSF is adivsed by Mrs. Bainter and Miss Albano. Officers are president, Edna Bandong, Vice President, Gina Thoeni, secretary, Mary Siababa, and treasurer, Jimmy West. Among the list of activities for this club was an enjoyable journey to San Francisco to see an opera and visit the Legion D'Honeur, an art museum.

Plays, Preparatory . . . Drama Club

Many people attended at least one of the three drama productions this year. Although the plays were widely attended and well received, the group mainly responsible was not adequately recognized. The Drama Club, with Mr. Marquez as advisor and Chris Wood as president, worked very hard this year to make those productions possible. Many hours of hard work in setting, directing, and activing were necessary to stage all the plays, and the members of the Drama Club did more than enough to make those productions successful.

Solos, Singing . . . Vocal Ensemble

The Vocal Ensemble is the elite group of singers at Alisal. Advisor for this group was Mrs. Helsby. The vocal ensemble participated in many concerts this year for both the school and the community. These concerts were held during the fall, spring, and Christmas seasons. This exhibit of musical talent was well received by virtually all audiences, and it is hoped that they can keep up their fine tradition of singing.

Voices, Variations . . . Girls' Glee, A Cappella Girls' Choir

The Girls' Glee, Girls' Choir, and A Cappella were talented vocal groups which displayed their singing skills throughout the year. Mrs. Helsby, the vocal advisor, was high in praise for all involved with the singing. The groups presented both Christmas and Spring concerts for the enjoyment of the school. They wre rewarded for their efforts with a trip to San Francisco with the remainder of the vocal department to see "Madame Butterfly."

Music, Marching . . . Alisal's 1974-1975

Alisal's band was very active this year, venturing throughout the state to band reviews. The marching and symphonic band journeyed south to Long Beach and Santa Ana, and also made trips to Merced, Gilroy, and San Mateo to participate in the reviews. Also included in their activities were the San Juan Batista and Colmo del Rodeo parades. To subsidize these experiencing activities, band members held their annual Pancake Breakfast. All of these activities were under the capable leadership of Alisal's band director, Mr. Horsely. Although after six years of building up our now prominent band, Mr. Horsely has left Alisal to partake in the promising field of work experience. The Alisal Marching and Symphonic Band will certainly continue its undeniable success.

The 1974-75 Songleaders

According to head songleader Betty Puterbaugh, the purpose of songleaders was to support the teams with enthusiasm and to entertain the crowd during sports halftime. This year was certainly no letdown as far as fulfilling the purposes for the 1974-75 songleaders. The girls not only performed pom-pon dances but also injected novelty routines into their act to the delight of the spectators. As a highlight of the trying year, the songleading squad attended the National Songleading camp.

As provided in the school's constitution, the mascot is to be a representative of Alisal's symbol, the Trojan. Among the mascot's duties is helping the cheerleaders in promoting school spirit. This year's mascot, Jo Ellen Atkins, sees this as only a fragment of the obligations of the mascot. She feels the mascot should be a true reflection and should be apparent throughout the school year.

In the group's second year of existence, Alisal's letter girls expanded their program to include many of the school's activities. Presently, the letter girls travel and march with the band at various parades, and also attend rallies and football games. This pep squad was advised by Mrs. Mortenson. The members of the letter girl squad were: Vicky Nelson-head, Elsie Batara, Minette Spangler, Susan Kraker, Emma Cardona, Sidney Tollison, and Teri Torres.

The Drill Team

Formations, Friendly . . . Drill Team

Alisal's Drill Team was active this year in attendance at rallies and games. This squad added much enthusiasm and spirit to our rooters. The drill team included: Tracy Rose, Penny Akers, Beth Martinez, Cathy Hack, Janice Eldred-Head, Barbara Harland, Vivian Samples, and Theresa Rocha.

Enthusiasm, Entertaining . . . Majorettes

Members of the 1974-75 Majorette squad were: Martha Horta-Head, Lupe Castillo, Pat Deanda, Yolanda Speers, and Janette Anderson. Their acting advisor was Mrs. Stevens. The majorettes were yet another squad which added color to many school functions. In band parades and halftime shows these girls provided spirit with their baton-twirling routines. They were also fundamental in rooting activities such as rallies.

Fairs, Farming . . . F.F.A.

The Future Farmers of America was extremely active throughout this year with activities in and out of agriculture. Entering in numerous FFA events, the Alisal chapter sent two delegates, Tracie Rose and Debbie Azevedo, to the Regional FFA Templeton and also entered in the King City Fair in livestock judging. President, Craig Andrus, with his fellow officers Chris Brown, David Azevedo, Tracie Rose, Debbie Azevedo, and Jeanette Crites organized the annual King and Queen of Hearts Valentine Dance and the Donkey Basketball game. Club advisor was Mr. Mullen.

A new addition to Alisal this year, the Bicycle Club was active under the guidance of their advisor Mr. McCarroll. After much delay due to insurance complications, the club organized many rides throughout the valley with more activity taking place in the spring. President Dave DeLair was instrumental in initiating the club. His fellow officers were Vice-President Marilyn Stidolph, Secretary Beth Dele and Treasurer Joyce Chamberlain.

Block A is one of the few clubs which maintains a membership requirement: A girl must have earned her letter before she will be admitted to this prestigious club. With president Susie Simon doing a fine job, Block A held many picnics, barbecues, and parties as time-out activities from sports. Mrs. Camany was advisor for this successful club.

Slopes, Snowing . . . Ski Club

In its second year of existence, Alisal's Ski Club was an exciting organization for ski buffs. In order to raise funds for ski trips, the members and their advisor, Bill Sarkisian held two large candy sales and numerous carwashes. Spending the money was an easy task for the club as they made three journeys throughout the year to the snow country of Lake Tahoe where they showed their skill or lack of skill, in the popular winter sport.

Also on the Soccer Club's agenda was the election of team cheerleaders and a soccer queen. The group was advised by Mr. Martinez.

Deadlines, Dedicating . . . Yearbook Staff

It was another hectic year for Alisal's Trojan Yearbook staff, but as predicted, the staff pulled through. The year was full of missing pictues, late deadlines, and long working hours. Never-the-less this yearbook was produced. Janice Haydon worked hard as Editor to prevent the class from erupting in complete chaos. Mr. Angelo, the advisor, also did a fine job bearing the strain for yet another year. Manning the helm of the Classes' section was Sylvia Chacon, with Liz Edu providing much aid. The fine Ads section was put together by Bernie Agpaoa, and Jimmy Mazzuca constructed the Faculty section. This year's sports were covered by Boys' Sports Editor Mike Pura and Girls' Sports Editor Valerie Tonus. Two large sections, Organizations and Activities, were done by respective editors, Karen Doris and Chris Morales, with Jessie Pabros and Mary Regan helping. Some members provided miscellaneous help and learned the basics for work next year. They were Carol Card, Becky Bailey, Jim Herberger, John Zweifel, and Terry Herberger. All pictures taken by students were done by photographers Joe Diaz, Mario Amaro, and Lionel Rogers. After the year's work was completed, the entire staff was able to relax, examine, and enjoy its work.

People Gotta Move . . .
First Day Registration

Seeking a newer and more efficient type of scheduling, Alisal undertook a new system of college type registration this year. Returning and entering students were greeted on September 3 with instructions on the procedure of this modernized idea of selecting classes. Mainly, students were allowed to select time periods and teachers for their subjects, although not all the students were satisfied, this first-time registration method opened doors for a better system in the years to come. Hard work and long hours were put into the preparation of our First Day Registration, and credit is due to Miss Palmer who organized the entire matter and to Mr. Poulsen who, along with his Leadership students, aided many confused students in their inauguration to this new registration system.

I've Got The Music In Me . . . Get Acquainted Dance

Towards the end of September, the ASB presented a "Get-Aquainted Dance" to the student body. Being the first dance of the year, this event drew a large attendance from the student body. The band was "Backroads", and they provided some very popular and well-performed tunes. Playing a little something for everyone, "Backroads" was highly successful in enabling the students to "get acquainted."

Cowboys, Vikings Sing The Blues . . . Jamboree '74

A wave of silence engulfed the stadium as the judge approached the microphone. Remembering last year's three-way tie, the crowd waited anxiously for the winner of the rooter's trophy to be announced. The decision proved Alisal to be true to form as we were declared the winners of the Rooter's Trophy for the ninth consecutive year. A loud, familiar cry of "We're Number One" rang throughout the proud Trojan rooting section. The sweet taste of victory was heightened by the play of our varsity football team as they ran over all competion to emerge far ahead as the 1974 Jamboree Champs. The Trojan gridsters racked up 36 points to blow past Salinas with 26 points, and North High with 3 points.

The theme of the rooting this year was "Academy Awards", sporting cleverly treated rollouts with slogans such as "Vikings Sing the Blues" and "Exorcise the Cowboys". The commissioner of Rooters, Sal Sanchez and Glo Domaloag, along with the committee are to be commended.

Anticipation . . . Homecoming 1974

The traditional clash of Alisal and Monterey was the setting of this year's 1974 Homecoming. Earlier in the week, the varsity football team nominated five senior beauties for Homecoming queen. The five candidates entered the field that Friday night, prior to the start of the varsity game, amidst an atmosphere of suspense. The Homecoming queen candidates were Eileen Agee, escorted by Robert Pearcy; Lori Gannone, whose escort was Doug Gray; Vicki Manness escorted by Mike Pura; Chris Morales with her escort Gary Rowe; and Sandy Ruttschow, escorted by Eric Stein. The candidates were accompanied by the class princesses and their escorts, Kathy Williams of the Freshman class with Paul Bellone, Kim Tolleson for the Sophomores with Mario Amaro; and Junior, Yolanda Barragan, with Ruben Pulido. Accompanied by the Trojan marching band, the pageantry of the event reached its peak at halftime as Lori Gannone was crowned 1974 Homecoming Queen by last year's queen, Angie Marquez. Presented to Lori as gifts by the ASB were roses, a crown, and a silver platter.

"The Look Of Love" . . . Pumpkin Carving

This year the ASB sponsored the first annual pumpkin carving contest. A large portion of the student body came to carve creative designs in pumpkins and enter them in the contest. The carving artists worked as representatives of clubs, organizations, and classes. At the conclusion of this day of toil, the awards were announced. Each pumpkin won an award in a different category ranging from most original to most Halloweenish. They were then placed on display throughout the school.

One of the numerous Senior Activities this year was Childhood Reunion Day. This event was held on January 30. The Seniors arrived at school in baby's garb and then met during the lunch periods to participate in children's games. David Matt was the winner of the airplane throw, while Mary Regan won the heavily contested bottle drinking competition. When the gunny sack race was over, Liz Edu and Chris Morales were declared winners. In all, it was a day to shake loose the present and relive the past.

"So Far Away" . . . Foreign Exchange Student

Haere mai! My name is Mary Reagan and I spent this year at Alisal High as your A.F.S. er.

I come from a small country in the South Pacific called New Zealand. In describing New Zealand, I would say that it is a land of green hillls and fields, of mountains and lakes, of native bushes, and of small cities and towns. My hometown is New Plymouth which is a very pretty city of a little under 40,000.

I have four brothers; three older, Paul, Kevin, Michael, and a younger brother, Philip.

Although I find the life style in America very similar to what I was used to, I find school quite a different experience. In New Zealand I attended a parochial school with an enrollment of only 300 students! School emphasized academics far more than in America and classes such as home-making are not found in the school curriculum.

I enjoy acting and reading, poetry, and I love listeing to music-Elton John and David Bowie especially. I also enjoy traveling and meeting people, and A.F.S. has really enabled me to do this! My year in America, the many wonderful people I've met, the places I've seen, the new things I've expereienced, and my time at Alisal will be in my memory always. Arahairue, Mary.

"I Feel A Song In My Heart" . . . Assemblies

This year, the Student Body was presented a double treat as two musical assemblies were sponsored within one week. First, on November 26, a group called PaPa Du Run De Run played their tunes to the audience. Their music was a delightful mix of old '50's songs to the surfer melodies of the early '60's. Then, one week later, the U.S. Army Rock Band came to perform at Alisal. This band's program consisted of songs of the recent years, including some of this year's popular tunes. Both assemblies were well received and appreciated.

The Christmas season descended on Alisal as usual and the school responded appropriately. First, there was the annual Door-Decorating contest, with winners chosen for their work. The music departments provided carols in the hallways and there was even a visit from Santa Claus, rewarding many students with candy canes.

On February 13, the Hartnell Gym was invaded by the All-American Redheads Women Basketball Team. Sponsored by the Boosters Club and GAA, the girls met the challenge of One Hour Martinizing, a team consisting of Salinas area alumni. The Redheads staged a very entertaining exhibition at halftime, performing difficult tricks with basketballs. However, all was not fortunate for the Redheads, as their 36th game winning streak ended as Martinizing won 53-52, as Alisal grad Jim Huff sank a last second bucket. Although they lost, the Redheads proved to be a skillful team and provided much excitement in the games.

"The Show Must Go On" . . . Barefoot In The Park

In its inaugural performance, the Alisal Drama Department presented Neil Simon's BAREFOOT IN THE PARK. This is a comedy concerning the hectic lives of a newlywed couple in New York City. Alisal's foreign exchange student, Mary Regan, demonstrated excellent acting ability in the lead role of Corie Bratter, the young wife. Keith Rice portrayed Corie's husband Paul, and Sandy Ruttschow was cast as Mrs. Banks, Corie's mother. Chris Wood was featured as Victor Velasco, the couple's bizarre neighbor, while Dan Ferdinando, Jeff Simpson, Tom McClusky, and Sheila Petticord rounded out the cast. This outstanding presentation could not have been possible without the hard work of play director Jose Marquez, Alisal's drama coach. The entire Drama department is truly to be commended for this fantastic piece of work.

"Never Let Her Go" . . . King And Queen Of Hearts

A regular feature of the Valentine season, the King and Queen of Hearts Dance, was sponsored by the FFA. Throughout the week prior to the dance, many couples sold tickets for raffles in hopes of capturing the King and Queen of Hearts title. The dance commenced on Saturday the eighth, with "Three's the Limit" providing the music. Midway through the evening, the music was halted. The FFA officers announced Ralph Osuna and Marilyn Stidolph as the new King and Queen of Hearts. Raffle winners received calculators and radios.

Besides swimming, eating and fooling around, there was an ice cream-eating contest between Mr. Drake and Jorge Barragan. Also the Freshman officers met the challenge of the Administration in a basketball game, with secretaries acting as cheerleaders. "Only You" . . . 1974-75 Basketball Homecoming Queen

One of the highlights of this year's basketball season was Basketball Homecoming. Scheduled for halftime of the Alisal-Salinas game, the basketball queen ceremony was rich with lovely ladies vying for the coveted title. Candidates were Grace Bandong, with escort John Smith; Cheryl Favero, escorted by Mike Climer; Janice Haydon, who chose Mike Pura for her escort; Chris Morales, and her escort Gary Rowe; Kathy Powell, and escort Doug Gray; and Betty Puterbaugh, escorted by George Robles. The gala event peaked when Betty Puterbaugh was named 1974-75 Basketball Queen. She was crowned by AFS student, Mary Regan, and presented roses and a silver tray by 'Cupid' Jorge Barragan.

You Ain't Seen Nothing Yet . . . Rallies

During the prospective sport seasons, Alisal has always added a touch of class by staging rallies. This year proved to be no exception, with many of the entertaining shows being presented throughout the athletic seasons. Headlining all the shows was the action of the pep squads, whose routines and cheers greatly boosted the rooting spirit. Some very funny and original skits were usually offered as a gift from the Leadership class and its officialities. Coaches also appeared to introduce the teams and present their personal outlooks on the season. Lastly, there was always the popular class competition, offering the classes a chance to exhibit their own amount of school spirit. All in all, the rallies were very amusing and added some spark to the atheltic year.

For anyone who attended this year's rallies, basketball games or assemblies, the sound of the Stage Band was prevalent and familiar. This group performed at many activities, as well as for the pre-high schoolers throughout the county. They also displayed their talents in shows at the Salinas Golf and Country Club and the Masonic Temple. Officers were Richard Briggs, president; Mark Deome, vice-president, Melodee Fontana secretary, Michelle Puckett, treasurer and Ernie Felipe, technician.

This year was a virtual success as Alisal's vocal orgnizaions ran true to form and kept the school's tradition for excellent music. Miss Helsby was exhuberant in her praise for the vocal groups and was proud of all involved. The vocalists presented Christmas and Spring concerts for the enjoyment of the school and also participated in a valley-wide concert at Hartnell. "Band on the Run" . . . Music Department

As in years before, the Alisal band continued to strive for a successful year. To raise money for their activities they held their annual pancake breakfast, two glass recycling workdays and a candy sale. After they had collected the necessary funds, the embarked to various competitions at Merced, Gilroy, Santa Cruz, Santa Ana, Long Beach and San Mateo. They also entered the Colmo Del Rodeo parade and the San Juan Bautista parade.

Officers for the band were: President, Doug Gray, Vice-President, Carol Hale, Secretary, Gloria Domaloag and Treasurer, Melodee Fontana. Band Director, Mr. Horsley, is to be highly commended for a fine job in his final year of conducting the band.

The art department rarely receives credit for the fine work they do. This year much of their creations went virtually unnoticed, but for those who noticed it the artwork of these classes is excellent. Under the guidance of Mr. Lee and Mr. Johnon, students learn the major concepts of art, from basic patterns to complex designs. They also go on field trips to view the different art styles of the area. With the large quanity of exhibits around the school, the art department is becoming more visible, and its work more appreciated.

Meu Pai ensinou Portugues em West Point, mas agora ele esta trabahando como Editor Associado de um jornal publicado para promover o interesse pelo Brasil na America. Embora minha mae tenha siro professora de Ingles ela agora trabalha como dona-de casa.

Rio de Janeiro e uma cirade industrial e turistica no verao.

Ainda tenho um ano e meio para me graduar no meu pais. Na minha escola nao poremos escolher as materias como nos poremos escolhe aqui em Alisal.

Estou certa de que esta foi amaior experiencia da minha vida, conhecendo gente nova, aprendendo sua maneira de viver e sua cultura.

Minha familia hospedeira ten sido maravilhosa para mim em todos os sentidos na minh temporado aqui em Salinas.

Eq espero que voces tenham a oportunidade de visiar meu pais algum ria, por gue foi um prazer para mim conhecer todos voces aqui em Alisal High School.

I am from Rio de Janeiro, Brazil, which has a population of five million. I am very happy to be here as the first Y.F.U. (Youth For Understanding) student at Alisal High School.

My Father taught Portuguese at West Point but now he is working as an Associate Editor of a Brazilian newspaper published to promote the interest of Brazil in the United States. Although my Mother was an English teacher, she is now retired and is a housewife. Rio de Janeiro is an industrial city and in the summertime, is a tourist city.

I have to complete one and a half more years of school in order to graduate in my country, In my school we cannot choose the subjects we take, as we can here at Alisal.

I am sure that the best experience I have ever had in my life is meeting other people and learning about their way of life and culture.

My host family has been marvelous in so many ways during my stay here in Salinas.

I hope you have the opportunity to visit Brazil someday, because it has been a pleasure for me to meet all of you here at Alisal High School.

"Steppin' Out, Gonna Boogie Tonite" . . . Junior Playnite

November 13th was the date for this year's third annual Class of 1976 playnight. The evening of fun began with volleyball games in the gym and swimming. After these activities had washed up some appetities, a chicken dinner was presented. As the evening drew to a close, the Juniors gathered in the Girls' Gym and danced to the sound of Mongoose. The junior officers are truly to be commended for an excellent job of presenting the playnight.

"Please, Sir, I want some more."

Goodfriends wish to extend its
congratulations to the class of
"75"

Goodbye, good luck, and "get lost."

The class of '75 has experienced more than its share of major changes. We were the first class to have the J.S. Prom off campus, actually make money on the Christmas ball, and have our advisors get married! (Nothing like a close class) We had a lot of our activities at the end of the year and got to know each other very well, but no matter how many years go by we will always happily remember our years at Alisal. We hope and pray to find you all successful and happy at our 5 year reunion. Good Luck and May God bless.
P.S. Thanks to Mr. and Mrs. Mortensen and Mr. Espinza, everything was neato burrito.

Acknowledgements

Our 1974-1[9]75 school year voyage is now sailing to its end, and from it we have only memories, like scattered sea shells on an empty shoreline to remind us of our journey. Undoubtedly, this has been an unusual year for all of us, with the abrupt changes in the barometer readings and the stormy interruptions of foul weather, but we have survived the voyage, and our yearbook shows that although we had some rough sailing once in a while, the good times were there and shone through.

The 1975 Trojan yearbook staff worked diligently at the oars to produce a yearbook that would best remind you of your school days, and all deserve credit for the special touches each added. To these people I would like to acknowledge a final thank you for the outstanding job each did. The "Golden Anchor Award" goes to the following: Jo Capaoa, for finally completing her advertising section after 9 months of hard rowing, ending 2 weeks late (also a new tire for her tricycle); Mario Amaro, for his ability to come to class and control; Joe Diaz and Lionel Rogers for their ability to use eight rolls of film on the same pose; Sy[illegible] and Elizabeth Edu, who while completing a beautiful classes section managed to amuse the staff with daily gossip of the school; Karen Doris and Jessie Reyros for just COMPLETING their organizations section; James Mazzuca, for singlehandedly turning in the academics section while keeping the corner chair on deck warm; Sindy Ingram, for managing to conquer the strenuous feat of squeezing her senior section together; Christine Morales and Mary Regan for never giving up while keeping track of activities to cover in their section; Valerie Tonus, for working on girls' athletics plus keeping the room up to date on her body contour program; Michael Pura, for his ability to turn in a fantastic boys' athletics section and all copy for the book "off the press" from his cluttered one room publishing office, and for accumalating the most layouts and materials over a three year span; and Becky Bailey, [illegible] Card, Jim Herberger, Terri Herberger, for jumping sail on our yearbook ship of chaos!

Through our dramatic tides of stormy seas and other such events where our small yearbook staff ship [illegible] sink, our fearless and faithful advisor continually kept our heads above water [illegible] the anchor when need. Mr. John A. Angelo, the staff and especially myself deeply thank [illegible] understanding (?) our sometimes rushed deadlines, absurd questions, ro[illegible] member riding on tricycles and screaming on top of tables. We also thank Mrs. Angelo for putting up with us. All in all, it was fun, wasn't it? It is these "Good" times you will remember . . .

Your yearbook could not have been possible without outside help from certain individuals and companies. For this reason, I would like to acknowledge a very special thank you to Bett[illegible]baugh and Mr. James Johnson for their artistic qualities, Mr. Robert Poulsen for his never ending [illegible] to the staff and myself throughout the year, Mrs. Beverly David for her assistance with the yearbook finances, and Mr. Kroeger for his help in the business office. The contributions added by these individuals are the ingredients which make your book so special. Photographs are definitely a vital part of [illegible] yearbook, and for this reason Cook's, Dolly and Bob's, Hurl Swartz, and Richard Wilson's Photography deserve recognition for their service throughout the year.

A familiar face often seen around campus is Mr. Kenneth Cook. Mr. Cook deserves much more than just a thank you for all the time he has devoted to our yearbook. Mr. Cook, we are sincerely appreciative of your photography work, and especially enjoy [illegible] assortments of jokes, puns, and the unusual and creative Valentine gift.

My years at Alisal have slowly ebbed, leaving behind sand dollar diamonds fragmented on the shores of my mind. I look back on [illegible] years, remembering the sorrow and the joy, and feel a wave of sadness surge through me. Yet, I do not regret leaving this voyage behind, as I am eagerly awaiting my future, for "Life is a journey, not a destination."
